2. Summary

- (i) Correctional Service Canada (CSC) has a requirement to deliver services that support the reintegration needs of Indigenous offenders to urban centres.

To improve CSC's ability to reintegrate Indigenous offenders to urban areas. The intent is to increase CSC's capacity to acquire the services of Contractors in the release planning process. Contractors will identify and coordinate reintegration support for Indigenous offenders in urban areas, as this is one of the greatest challenges for Indigenous offenders returning to urban centres is identifying traditional Indigenous support and services.

The Contractor must provide outreach and engagement with Indigenous offenders, urban community contacts, and CSC personnel, including but not limited to Parole Officers and Aboriginal Community Liaison Officers. The Contractor will be responsible to provide intervention services in Aboriginal Intervention Centres (AIC) at CSC Institutions and the Okimaw Ohci Healing Lodge, and to support the reintegration of Indigenous offenders in urban centres.

The Contractor must provide services including but not limited to delivering trauma or addictions counselling or life skills training or providing support to either prevent affiliation or promote disaffiliation from a gang. The Contractor must also ensure that the offender's needs (i.e. trauma, addictions, life skills counselling or gang prevention/exit strategies) continue to be met during and after their transition to a community. This obligation may require making arrangements to support another service provider to meet with the offender in their community. Therefore, special attention should be given to this matter during the development of the release plan. It will not be sufficient to merely provide telephone support to an offender who has reintegrated to a community that is a significant distance from the Institution or Healing Lodge where they were incarcerated.

- The Contractor must assist with urban release planning for Indigenous offenders that includes life skills development or preventing affiliation and/or promoting disaffiliation from a gang, or trauma or addictions counselling.
- Urban reintegration success must be enhanced through short and long term planning with Contractors that includes assistance with obtaining culturally appropriate interventions for addictions, trauma or mental health issues, including preventing affiliation or promoting disaffiliation from a gang. Indigenous offenders will also receive assistance to learn life skills, including employment and budgeting skills, how to find transportation and housing, how/where to obtain identification and purchase/prepare nutritious food, and other kinds of life skills as needed.
- Reintegration support services must be provided in institutions to support the transition to the urban community, as well as within urban communities to provide ongoing support to Indigenous offenders upon release.

The Contractor must provide specialized expertise in at least one of the following stream areas:

Stream 1:

Delivering trauma, addictions counselling, or life skills training to Indigenous offenders.

Stream 2:

Providing support to Indigenous offenders to either prevent gang affiliation or promote disaffiliation.

- The Identified User authorized to make call-ups against the Standing Offer is:

Correctional Service of Canada

Regional Aboriginal Initiatives Administrators of the Correctional Service of Canada in the Pacific, Prairie, Ontario, Québec and Atlantic Regions.

- Period of the Standing Offer: The Work is to be performed from the date of Standing Offer award to May 31, 2020 with the option to renew for two (2) additional one-year periods.

3. Revision of Departmental Name

As this request for Standing Offer is issued by Correctional Service of Canada (CSC), any reference to Public Works and Government Services Canada (PWGSC) or its Minister contained in full text or by reference in any term, condition or clause of this document, or any resulting contract, shall be interpreted as a reference to CSC or its Minister.

4. Security Requirements

There are security requirements associated with the requirement of the Standing Offer. For additional information, see Part 6 – Security, Financial and Insurance Requirements, and Part 7 – Standing Offer and Resulting Contract Clauses. For more information on personnel and organization security screening

or security clauses, Offerors should refer to the Industrial Security Program (ISP) of Public Works and Government Services Canada (<http://ssi-iss.tpsgc-pwgsc.GC.ca/index-eng.html>) website.

5. Debriefings

Offerors may request a debriefing on the results of the request for Standing Offer process. Offerors should make the request to the Standing Offer Authority within 15 working days of receipt of the results of the request for Standing Offer process. The debriefing may be in writing, by telephone or in person.

6. Procurement Ombudsman

The Office of the Procurement Ombudsman (OPO) was established by the Government of Canada to provide an independent avenue for suppliers to raise complaints regarding the award of contracts under \$25,000 for goods and under \$100,000 for services. You have the option of raising issues or concerns regarding the solicitation, or the award resulting from it, with the OPO by contacting them by telephone at 1-866-734-5169 or by e-mail at boa-opo@boa-opo.gc.ca. You can also obtain more information on the OPO services available to you at their website at www.opo-boa.gc.ca.

7. Multiple Standing Offers

Multiple Standing Offers may be awarded as a result of this Request for Standing Offer (SO). See list below for the minimum / maximum number of Standing Offers that may be awarded for each identified location.

Solicitation 21120-19-3149029-A (PSAB) is being solicited concurrently with solicitation 21120-19-3149029-B (Non-PSAB) for the same requirement. Preference will be given to the responsive/compliant bids for the PSAB solicitation 21120-19-3149029-A. Bids from the Non-PSAB solicitation (21120-19-3149029-B) will only be considered if no responsive bids per institution are received for the PSAB requirement and/or if the list of PSAB suppliers by the institution has been exhausted to fulfil the need for the number of required SO's per institution.

If more than one standing offer per identified location is awarded for use based on a reasonable expectation of business activity such that a single offeror would lack the capacity to meet the demands, then the ranking methodology will be 'Right of First Refusal'. See Part 7 A, Article 8 – Call Up Procedures, for further instruction.

2. Submission of Offers

Offers must be submitted only to Correctional Service of Canada (CSC) by the date, time and place indicated on page 1 of the Request for Standing Offer.

Due to the nature of the Request for Standing Offer, transmission of offers by facsimile or e-mail to CSC will not be accepted.

3. Former Public Servant

Contracts awarded to former public servants (FPS) in receipt of a pension or of a lump sum payment must bear the closest public scrutiny, and reflect fairness in the spending of public funds. In order to comply with Treasury Board policies and directives on contracts awarded to FPS, offerors must provide the information required below before the issuance of a standing offer. If the answer to the questions and, as applicable the information required have not been received by the time the evaluation of offers is completed, Canada will inform the Offeror of a time frame within which to provide the information. Failure to comply with Canada's request and meet the requirement within the prescribed time frame will render the offer non-responsive.

Definitions

For the purposes of this clause,

"former public servant" is any former member of a department as defined in the [Financial Administration Act](#) R.S., 1985, c. F-11, a former member of the Canadian Armed Forces or a former member of the Royal Canadian Mounted Police. A former public servant may be:

"lump sum payment period" means the period measured in weeks of salary, for which payment has been made to facilitate the transition to retirement or to other employment as a result of the implementation of various programs to reduce the size of the Public Service. The lump sum payment period does not include the period of severance pay, which is measured in a like manner.

"pension" means a pension or annual allowance paid under the [Public Service Superannuation Act](#) (PSSA), R.S., 1985, c. P-36, and any increases paid pursuant to the [Supplementary Retirement Benefits Act](#), R.S., 1985, c. S-24 as it affects the PSSA. It does not include pensions payable pursuant to the [Canadian Forces Superannuation Act](#), R.S., 1985, c. C-17, the [Defence Services Pension Continuation Act](#), 1970, c. D-3, the [Royal Canadian Mounted Police Pension Continuation Act](#), 1970, c. R-10, and the [Royal Canadian Mounted Police Superannuation Act](#), R.S., 1985, c. R-11, the [Members of Parliament Retiring Allowances Act](#), R.S. 1985, c. M-5, and that portion of pension payable to the [Canada Pension Plan Act](#), R.S., 1985, c. C-8.

As per the above definitions, is the Offeror a FPS in receipt of a pension? **YES** () **NO** ()

If so, the Offeror must provide the following information, for all FPS in receipt of a pension, as applicable:

- a. name of former public servant;
- b. date of termination of employment or retirement from the Public Service.

By providing this information, Offerors agree that the successful Offeror's status, with respect to being a former public servant in receipt of a pension, will be reported on departmental websites as part of the published proactive disclosure reports in accordance with [Contracting Policy Notice: 2012-2](#) and the [Guidelines on the Proactive Disclosure of Contracts](#).

Work Force Adjustment Directive

Is the Offeror a FPS who received a lump sum payment pursuant to the terms of the Work Force Adjustment Directive? **YES** () **NO** ()

- g. number and amount (professional fees) of other contracts subject to the restrictions of a work force adjustment program.

For all contracts awarded during the lump sum payment period, the total amount of fees that may be paid to a FPS who received a lump sum payment is \$5,000, including Applicable Taxes.

4. Enquiries - Request for Standing Offer

All enquiries must be submitted in writing to the Standing Offer Authority no later than five (5) calendar days before the Request for Standing Offer (RFSO) closing date. Enquiries received after that time may not be answered.

Offerors should reference as accurately as possible the numbered item of the RFSO to which the enquiry relates. Care should be taken by Offerors to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the question(s) or may request that Offerors do so, so that the proprietary nature of the question(s) is eliminated, and the enquiry can be answered to all Offerors. Enquiries not submitted in a form that can be distributed to all Offerors may not be answered by Canada.

5. Applicable Laws

The Standing Offer and any contract resulting from the Standing Offer must be interpreted and governed, and the relations between the parties determined, by the laws in force in Ontario.

Offerors may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their offer, by deleting the name of the Canadian province or territory specified and inserting the name of the Canadian province or territory of their choice. If no change is made, it acknowledges that the applicable laws specified are acceptable to the Offerors.

PART 3 - OFFER PREPARATION INSTRUCTIONS

1. Offer Preparation Instructions

Canada requests that offerors provide their offer in separately bound sections as follows:

Section I: Technical Offer: **three (3) hard copies**

Section II: Financial Offer: **one (1) hard copy**

Section III: Certifications: **one (1) hard copy**

Prices must appear in the financial offer only. No prices must be indicated in any other section of the offer.

Offerors are requested to submit their Financial Offer in an envelope separate from their technical offer.

Canada requests that Offerors follow the format instructions described below in the preparation of their offer.

- (a) use 8.5 x 11 inch (216 mm x 279 mm) paper;
- (b) use a numbering system that corresponds to that of the Request for Standing Offer.

In April 2006, Canada issued a policy directing federal departments and agencies to take the necessary steps to incorporate environmental considerations into the procurement process [Policy on Green Procurement](http://www.tpsgc-pwgsc.gc.ca/ecologisation-greening/achats-procurement/politique-policy-eng.html) (<http://www.tpsgc-pwgsc.gc.ca/ecologisation-greening/achats-procurement/politique-policy-eng.html>). To assist Canada in reaching its objectives, offerors should:

- 1) use 8.5 x 11 inch (216 mm x 279 mm) paper containing fiber certified as originating from a sustainably-managed forest and containing minimum 30% recycled content; and
- 2) use an environmentally-preferable format including black and white printing instead of colour printing, printing double sided/duplex, using staples or clips instead of cerlox, duotangs or binders.

Section I: Technical Offer

In their technical offer, Offerors should explain and demonstrate how they propose to meet the requirements and how they will carry out the Work.

Section II: Financial Offer

Offerors must submit their financial offer in accordance with Annex B, Basis of Payment. The total amount of Applicable Taxes must be shown separately.

Payment by Credit Card

Canada requests that offerors complete one of the following:

- (a) () Government of Canada Acquisition Cards (credit cards) will be accepted for payment of call-ups against the Standing Offer.

The following credit card(s) are accepted:
Master Card _____

- (b) () Government of Canada Acquisition Cards (credit cards) will not be accepted for payment of call-ups against the Standing Offer.

The Offeror is not obligated to accept payment by credit card.

Acceptance of credit cards for payment of call-ups will not be considered as an evaluation criterion.

Section III: Certifications

Offerors must submit the certifications and additional information required under Part 5.

PART 4 - EVALUATION PROCEDURES AND BASIS OF SELECTION

1. Evaluation Procedures

- (a) Offers will be assessed in accordance with the entire requirement of the Request for Standing Offer including the technical and financial evaluation criteria.
- (b) An evaluation team composed of representatives of CSC will evaluate the offers.
- (c) CSC will use the Phased Bid Compliance Process.

1.1 Phased Bid Compliance Process

1.1.1.1 General

- (a) CSC is conducting the PBCP described below for this requirement.
- (b) Notwithstanding any review by CSC at Phase I or II of the PBCP, Bidders are and will remain solely responsible for the accuracy, consistency and completeness of their Bids and CSC does not undertake, by reason of this review, any obligations or responsibility for identifying any or all errors or omissions in Bids or in responses by a Bidder to any communication from CSC.

THE BIDDER ACKNOWLEDGES THAT THE REVIEWS IN PHASE I AND II OF THIS PBCP ARE PRELIMINARY AND DO NOT PRECLUDE A FINDING IN PHASE III THAT THE BID IS NON-RESPONSIVE, EVEN FOR MANDATORY

REQUIREMENTS WHICH WERE SUBJECT TO REVIEW IN PHASE I OR II AND NOTWITHSTANDING THAT THE BID HAD BEEN FOUND RESPONSIVE IN SUCH EARLIER PHASE. CSC MAY DEEM A BID TO BE NON-RESPONSIVE TO A MANDATORY REQUIREMENT AT ANY PHASE.

THE BIDDER ALSO ACKNOWLEDGES THAT ITS RESPONSE TO A NOTICE OR A COMPLIANCE ASSESSMENT REPORT (CAR) (EACH DEFINED BELOW) IN PHASE I OR II MAY NOT BE SUCCESSFUL IN RENDERING ITS BID RESPONSIVE TO THE MANDATORY REQUIREMENTS THAT ARE THE SUBJECT OF THE NOTICE OR CAR, AND MAY RENDER ITS BID NON-RESPONSIVE TO OTHER MANDATORY REQUIREMENTS.

- (c) CSC may, in its discretion, request and accept at any time from a Bidder and consider as part of the Bid, any information to correct errors or deficiencies in the Bid that are clerical or administrative, such as, without limitation, failure to sign the Bid or any part or to checkmark a box in a form, or other failure of format or form or failure to acknowledge; failure to provide a procurement business number or contact information such as names, addresses and telephone numbers; inadvertent errors in numbers or calculations that do not change the amount the Bidder has specified as the price or of any component thereof that is subject to evaluation. This shall not limit CSC's right to request or accept any information after the bid solicitation closing in circumstances where the bid solicitation expressly provides for this right. The Bidder will have the time period specified in writing by CSC to provide the necessary documentation. Failure to meet this deadline will result in the Bid being declared non-responsive.
- (d) The PBCP does not limit CSC's rights under Standard Acquisition Clauses and Conditions (SACC) 2006 (2018-05-22) Standard Instructions – Goods or Services – Competitive Requirements nor CSC's right to request or accept any information during the solicitation period or after bid solicitation closing in circumstances where the bid solicitation expressly provides for this right, or in the circumstances described in subsection (c).

- (e) CSC will send any Notice or CAR by any method CSC chooses, in its absolute discretion. The Bidder must submit its response by the method stipulated in the Notice or CAR. Responses are deemed to be received by CSC at the date and time they are delivered to CSC by the method and at the address specified in the Notice or CAR. An email response permitted by the Notice or CAR is deemed received by CSC on the date and time it is received in CSC's email inbox at CSC's email address specified in the Notice or CAR. A Notice or CAR sent by CSC to the Bidder at any address provided by the Bidder in or pursuant to the Bid is deemed received by the Bidder on the date it is sent by CSC. CSC is not responsible for late receipt by CSC of a response, however caused.

1.1.1.2 Phase I: Financial Bid

- (a) After the closing date and time of this bid solicitation, CSC will examine the Bid to determine whether it includes a Financial Bid and whether any Financial Bid includes all information required by the solicitation. CSC's review in Phase I will be limited to identifying whether any information that is required under the bid solicitation to be included in the Financial Bid is missing from the Financial Bid. This review will not assess whether the Financial Bid meets any standard or is responsive to all solicitation requirements.
- (b) CSC's review in Phase I will be performed by officials of the Correctional Service Canada.
- (c) If CSC determines, in its absolute discretion that there is no Financial Bid or that the Financial Bid is missing all of the information required by the bid solicitation to be included in the Financial Bid, then the Bid will be considered non-responsive and will be given no further consideration.
- (d) For Bids other than those described in c), CSC will send a written notice to the Bidder ("Notice") identifying where the Financial Bid is missing information. A Bidder, whose Financial Bid has been found responsive to the requirements that are reviewed at Phase I, will not receive a Notice. Such Bidders shall not be entitled to submit any additional information in respect of their Financial Bid.
- (e) The Bidders who have been sent a Notice shall have the time period specified in the Notice (the "Remedy Period") to remedy the matters identified in the Notice by providing to CSC, in writing, additional information or clarification in response to the Notice. Responses received after the end of the Remedy Period will not be considered by CSC, except in circumstances and on terms expressly provided for in the Notice.
- (f) In its response to the Notice, the Bidder will be entitled to remedy only that part of its Financial Bid which is identified in the Notice. For instance, where the Notice states that a required line item has been left blank, only the missing information may be added to the Financial Bid, except that, in those instances where the addition of such information will necessarily result in a change to other calculations previously submitted in its Financial Bid, (for example, the calculation to determine a total price), such necessary adjustments shall be identified by the Bidder and only these adjustments shall be made. All submitted information must comply with the requirements of this solicitation.

- (g) Any other changes to the Financial Bid submitted by the Bidder will be considered to be new information and will be disregarded. There will be no change permitted to any other Section of the Bidder's Bid. Information submitted in accordance with the requirements of this solicitation in response to the Notice will replace, in full, **only** that part of the original Financial Bid as is permitted above, and will be used for the remainder of the bid evaluation process.
- (h) CSC will determine whether the Financial Bid is responsive to the requirements reviewed at Phase I, considering such additional information or clarification as may have been provided by the Bidder in accordance with this Section. If the Financial Bid is not found responsive for the requirements reviewed at Phase I to the satisfaction of CSC, then the Bid shall be considered non-responsive and will receive no further consideration.
- (i) Only Bids found responsive to the requirements reviewed in Phase I to the satisfaction of CSC, will receive a Phase II review.

1.1.1.3 Phase II: Technical Bid

- (a) CSC's review at Phase II will be limited to a review of the Technical Bid to identify any instances where the Bidder has failed to meet any Eligible Mandatory Criterion. This review will not assess whether the Technical Bid meets any standard or is responsive to all solicitation requirements. Eligible Mandatory Criteria are all mandatory technical criteria that are identified in this solicitation as being subject to the PBCP. Mandatory technical criteria that are not identified in the solicitation as being subject to the PBCP, will not be evaluated until Phase III.
- (b) CSC will send a written notice to the Bidder (Compliance Assessment Report or "CAR") identifying any Eligible Mandatory Criteria that the Bid has failed to meet. A Bidder whose Bid has been found responsive to the requirements that are reviewed at Phase II will receive a CAR that states that its Bid has been found responsive to the requirements reviewed at Phase II. Such Bidder shall not be entitled to submit any response to the CAR.
- (c) A Bidder shall have the period specified in the CAR (the "Remedy Period") to remedy the failure to meet any Eligible Mandatory Criterion identified in the CAR by providing to CSC in writing additional or different information or clarification in response to the CAR. Responses received after the end of the Remedy Period will not be considered by CSC, except in circumstances and on terms expressly provided for in the CAR.
- (d) The Bidder's response must address only the Eligible Mandatory Criteria listed in the CAR as not having been achieved, and must include only such information as is necessary to achieve such compliance. Any additional information provided by the Bidder which is not necessary to achieve such compliance will not be considered by CSC, except that, in those instances where such a response to the Eligible Mandatory Criteria specified in the CAR will necessarily result in a consequential change to other parts of the Bid, the Bidder shall identify such additional changes, provided that its response must not include any change to the Financial Bid.
- (e) The Bidder's response to the CAR should identify in each case the Eligible Mandatory Criterion in the CAR to which it is responding, including identifying in the corresponding section of the original Bid, the wording of the proposed change to that section, and the wording and location in the Bid of any other consequential changes that necessarily result from such change. In respect of any such consequential change, the Bidder must include a rationale explaining why such consequential change is a necessary result of the change proposed to meet the Eligible Mandatory Criterion. It is not up to CSC to revise the Bidder's Bid, and failure of the Bidder to do so in accordance with this subparagraph is at the Bidder's own risk. All submitted information must comply with the requirements of this solicitation.

- (f) Any changes to the Bid submitted by the Bidder other than as permitted in this solicitation, will be considered to be new information and will be disregarded. Information submitted in accordance with the requirements of this solicitation in response to the CAR will replace, in full, **only** that part of the original Bid as is permitted in this Section.
- (g) Additional or different information submitted during Phase II permitted by this section will be considered as included in the Bid, but will be considered by CSC in the evaluation of the Bid at Phase II only for the purpose of determining whether the Bid meets the Eligible Mandatory Criteria. It will not be used at any Phase of the evaluation to increase or decrease any score that the original Bid would achieve without the benefit of such additional or different information. For instance, an Eligible Mandatory Criterion that requires a mandatory minimum number of points to achieve compliance will be assessed at Phase II to determine whether such mandatory minimum score would be achieved with such additional or different information submitted by the Bidder in response to the CAR. If so, the Bid will be considered responsive in respect of such Eligible Mandatory Criterion, and the additional or different information submitted by the Bidder shall bind the Bidder as part of its Bid, but the Bidder's original score, which was less than the mandatory minimum for such Eligible Mandatory Criterion, will not change, and it will be that original score that is used to calculate any score for the Bid.
- (h) CSC will determine whether the Bid is responsive for the requirements reviewed at Phase II, considering such additional or different information or clarification as may have been provided by the Bidder in accordance with this Section. If the Bid is not found responsive for the requirements reviewed at Phase II to the satisfaction of CSC, then the Bid shall be considered non-responsive and will receive no further consideration.
- (i) Only Bids found responsive to the requirements reviewed in Phase II to the satisfaction of CSC, will receive a Phase III evaluation.

1.1.1.4 Phase III: Final Evaluation of the Bid

- (a) In Phase III, CSC will complete the evaluation of all Bids found responsive to the requirements reviewed at Phase II. Bids will be assessed in accordance with the entire requirement of the bid solicitation including the technical and financial evaluation criteria.
- (b) A Bid is non-responsive will receive no further consideration if it does not meet all mandatory evaluation criteria of the solicitation.

2. Basis of Selection

2.1 Highest Combined Rating of Technical Merit (60%) and Price (40%)

2.1.1 To be declared responsive, a bid must:

- a. comply with all the requirements of the bid solicitation; and
- b. meet all mandatory criteria; and
- c. obtain the required minimum of 40 points overall for the technical evaluation criteria which are subject to point rating.
The rating is performed on a scale of 58 points.

2. Bids not meeting (a) or (b) or (c) will be declared non-responsive.

3. The selection will be based on the highest responsive combined rating of technical merit and price. The ratio will be 60% for the technical merit and 40% for the price.
4. To establish the technical merit score, the overall technical score for each responsive bid will be determined as follows: total number of points obtained / maximum number of points available multiplied by the ratio of 60%.
5. To establish the pricing score, each responsive bid will be prorated against the lowest evaluated price and the ratio of 40%.
6. For each responsive bid, the technical merit score and the pricing score will be added to determine its combined rating.
7. Neither the responsive bid obtaining the highest technical score nor the one with the lowest evaluated price will necessarily be accepted. The responsive bid with the highest combined rating of technical merit and price will be recommended for award of a contract.

The table below illustrates an example where all three bids are responsive and the selection of the contractor is determined by a 60/40 ratio of technical merit and price, respectively. The total available points equals 135 and the lowest evaluated price is \$45,000 (45).

Basis of Selection - Highest Combined Rating Technical Merit (60%) and Price (40%)				
		Bidder 1	Bidder 2	Bidder 3
Overall Technical Score		115/135	89/135	92/135
Bid Evaluated Price		\$55,000.00	\$50,000.00	\$45,000.00
Calculations	Technical Merit Score	$115/135 \times 60 = 51.11$	$89/135 \times 60 = 39.56$	$92/135 \times 60 = 40.89$
	Pricing Score	$45/55 \times 40 = 32.73$	$45/50 \times 40 = 36.00$	$45/45 \times 40 = 40.00$
Combined Rating		83.84	75.56	80.89
Overall Rating		1st	3rd	2nd

8. Call-up Procedures

Multiple Standing Offers may be awarded as a result of this Request for Standing Offer (SO).

If more than one standing offer per identified location is awarded for use based on a reasonable expectation of business activity such that a single offeror would lack the capacity to meet the demands, then the ranking methodology will be 'Right of First Refusal'.

Right of first refusal basis:

The call-up procedures require that when a requirement is identified, the identified user will contact the highest-ranked offeror to determine if the requirement can be satisfied by that offeror. If the highest-ranked offeror is able to meet the requirement, a call-up is made against its standing offer. If that offeror is unable to meet the requirement, the identified user will contact the next ranked offeror. The identified user will continue and proceed as above until one offeror indicates that it can meet the requirement of the call-up. In other words, call-ups are made based on the "right of first refusal" basis. When the highest-ranked offeror is unable to fulfill the need, the identified user is required to document its file appropriately. The resulting call-ups are considered competitive and the competitive call-up authorities can be used.

9. Call-up Instrument

The Work will be authorized or confirmed by the Identified User(s) using the Call-up Against a Standing Offer form or an electronic version.

10. Limitation of Call-ups

The Offeror must notify the Standing Offer Authority as to the adequacy of this sum when 75 percent of this amount has been committed, or _____ (insert number of months) months before the expiry date of the Standing Offer, whichever comes first. However, if at any time, the Offeror considers that the said sum may be exceeded, the Offeror must promptly notify the Standing Offer Authority.

ANNEX A - STATEMENT OF WORK

Correctional Service Canada (CSC) has a requirement to deliver services that support the reintegration needs of Indigenous offenders to urban centres.

1.0 BACKGROUND

Consultation with the National Aboriginal Advisory Committee, the National Elders Working Group, as well as Indigenous Elders and staff working within CSC, has highlighted the need for culturally appropriate intervention and services that will support Indigenous offenders to address the impacts of intergenerational trauma and addictions, and develop life skills to better prepare them to contribute positively to their families and communities upon release. These services are needed both within institutions to support the transition to the urban community, as well as within urban communities to provide ongoing support to Indigenous offenders upon release.

2.0 OBJECTIVE

To improve CSC's ability to reintegrate Indigenous offenders to urban areas. The intent is to increase CSC's capacity to acquire the services of Contractors in the release planning process. Contractors will identify and coordinate reintegration support for Indigenous offenders in urban areas, as this is one of the greatest challenges for Indigenous offenders returning to urban centres is identifying traditional Indigenous support and services.

3.0. SCOPE

The Contractor must provide outreach and engagement with Indigenous offenders, urban community contacts, and CSC personnel, including but not limited to Parole Officers and Aboriginal Community Liaison Officers. The Contractor will be responsible to provide intervention services in Aboriginal Intervention Centres (AIC) at CSC Institutions and the Okimaw Ohci Healing Lodge, and to support the reintegration of Indigenous offenders in urban centres.

The Contractor must provide services, including but not limited to, delivering trauma or addictions counselling or life skills training or providing support to either prevent affiliation or promote disaffiliation from a gang. The Contractor must also ensure that the offender's needs (i.e. trauma, addictions, life skills counselling or gang prevention/exit strategies) continue to be met during and after their transition to a community. This obligation may require making arrangements to support another service provider to meet with the offender in their community. Therefore, special attention should be given to this matter during the development of the release plan. It will not be sufficient to merely provide telephone support to an offender who has reintegrated to a community that is a significant distance from the Institution or Healing Lodge where they were incarcerated.

- The Contractor must assist with urban release planning for Indigenous offenders that includes life skills development or preventing affiliation and/or promoting disaffiliation from a gang, or trauma or addictions counselling.
- Urban reintegration success must be enhanced through short and long term planning with Contractors that includes assistance with obtaining culturally appropriate interventions for addictions, trauma or mental health issues, including preventing affiliation or promoting disaffiliation from a gang. Indigenous offenders will also receive assistance to learn life skills, including employment and budgeting skills, how to find transportation and housing, how/where to obtain identification and purchase/prepare nutritious food, and other kinds of life skills as needed.
- Reintegration support services must be provided in institutions to support the transition to the urban community, as well as within urban communities to provide ongoing support to Indigenous offenders upon release.

The Contractor must provide specialized expertise in at least of the following stream areas:

Stream 1:

Delivering trauma, addictions counselling, or life skills training to Indigenous offenders.

Stream 2:

Providing support to Indigenous offenders to either prevent gang affiliation or promote disaffiliation.

4.0 TASKS

Stream 1: Trauma, addictions counselling, or life skills training for Indigenous offenders

- Participate in the initial stages of the release planning process. This is an essential component of a release plan, and includes working with Aboriginal Community Liaison Officers (ACLOs) and/or the community and institutional Parole Officers, who are the link between CSC and Indigenous communities.
- Take a collective approach in the development of a release plan to assist in fostering public safety and broadening the support the Indigenous offender has in the community.
- Perform communication and coordination tasks, as requested by the Project Authority, to support the development and implementation of a release plan.
- Provide information that must assist CSC personnel to develop a release plan. CSC personnel includes, but is not limited to Parole Officers or Aboriginal Community Liaison Officers. The expectation is that the Contractor must have a plan for providing a continuity of services to the offender upon their release to an urban community, even if the community is located a significant distance from the Institution where the offender was incarcerated.
- Engage directly with First Nations, Métis and Inuit service providers who have a solid understanding of existing resources and supports in the urban centres surrounding a CSC Institution or Healing Lodge.
- Identify resources and community contacts that may be used by CSC personnel when preparing a release plan for an offender.
- Deliver trauma and/or addictions counselling and/or life skills training for Indigenous offenders at CSC's Aboriginal Intervention Centres located in its Institutions or the Okimaw Ohci Healing Lodge.
- Continue to provide these services to offenders once they are released to an urban community.
- Be prepared to make arrangements to provide support services to offenders that are outside their area of expertise.
- Assist Indigenous offenders to apply for parole and participate in Elder and Community Assisted Parole Hearings.
- Help to develop suspension and revocation mitigation plans for Indigenous offenders in collaboration with their parole officers and reintegration support service providers.

Stream 2: Preventing gang affiliation and promoting gang disaffiliation for Indigenous offenders

- Deliver counselling and/or training interventions to prevent gang affiliation or promote gang disaffiliation for Indigenous offenders at CSC Institutions and Healing Lodges in Aboriginal Intervention Centres.
- Demonstrate expertise (in conversation with CSC staff and by delivering training or counselling) on gang prevention/exit strategies or cultural identity conflict.
- to prevent gang affiliation or promote gang disaffiliation for Indigenous offenders
- Provide information that assists CSC personnel to develop a release plan. CSC personnel includes, but is not limited to Parole Officers, Aboriginal Community Development Officers or Aboriginal Community Liaison Officers.
- Provide a continuity of services to the Indigenous offender upon their release to an urban community, even if the community is located a significant distance from the Institution where the offender was incarcerated.
- Engage directly with First Nations, Métis and Inuit service providers who have a solid understanding of existing resources and supports in the urban centres surrounding a CSC Institution or Healing Lodge.

- Identify resources and community contacts that may be used by CSC personnel when preparing a release plan for an offender.
- Perform communication and coordination tasks, as requested by the Project Authority, to support the development and implementation of a release plan.
- Continue to provide these services to Indigenous offenders once they are released to an urban community.
- Be prepared to make arrangements to provide support services to Indigenous offenders that are outside the Contractor's area of expertise (i.e. tattoo removal).
- Assist Indigenous offenders to apply for parole and participate in Elder and Community Assisted Parole Hearings.
- Help to develop suspension and revocation mitigation plans for Indigenous offenders in collaboration with their parole officers and reintegration support service providers.

ANNEX D - EVALUATION CRITERIA

1.0 Technical Evaluation:

1.1 The following elements of the offer will be evaluated and scored in accordance with the following evaluation criteria.

- Mandatory Technical Criteria
- Rated Technical Criteria

It is **imperative** that the offer **address each of these criteria** to demonstrate that the requirements are met.

1.2 LISTING EXPERIENCE WITHOUT PROVIDING ANY SUBSTANTIATING DATA TO SUPPORT WHERE, WHEN AND HOW SUCH EXPERIENCE WAS OBTAINED WILL RESULT IN THE STATED EXPERIENCE NOT BEING CONSIDERED FOR EVALUATION PURPOSES.

1.3 All experience must be strictly work-related. Time spent during education and/or training will not be considered, unless otherwise indicated.

1.4 Experience must be demonstrated through a history of past projects, either completed or on-going.

1.5 References must be provided for each project/employment experience.

- I. Where the stated experience was acquired within a Canadian Federal Government Department or Agency **as a Public Servant**, the reference must be a Public Servant who had a supervisory role over the proposed resource during the stated employment.
- II. Where the stated experience was acquired within a Canadian Federal Government Department or Agency **as a consultant**, the reference must be the Public Servant who was identified as the Project Authority of the project on which the proposed resource acquired the experience.
- III. References must be presented in this format:
 - a. Name;
 - b. Organization;
 - c. Current Phone Number; and
 - d. Email address if available

1.6 Response Format

- I. In order to facilitate evaluation of offers, it is recommended that Offerors' offers address the mandatory criteria in the order in which they appear in the Evaluation Criteria and using the numbering outlined.
- II. Offerors are also advised that the month(s) of experience listed for a project or experience whose timeframe overlaps that of another referenced project or experience will only be counted once. For example: Project 1 timeframe is July 2001 to December 2001; Project 2 timeframe is October 2001 to January 2002; the total months of experience for these two project references is seven (7) months.
- III. For any requirements that specify a particular time period (e.g., 2 years) of work experience, CSC will disregard any information about experience if the technical offer does not include the required month and year for the start date and end date of the experience claimed.

- IV. CSC will also only evaluate the duration that the resource actually worked on a project or projects (from his or her start date to end date), instead of the overall start and end date of a project or a combination of projects in which a resource has participated.
