Signature	Date

This amendment is being raised to make the following changes:

At Article 1.2 Summary:

Delete: The period of the contract will be 3 years with 2 optional one-year periods.

Insert:

The period of the contract will be for a 5 year firm period.

After Article 1.3 Debriefings:

Add:

1.4 Maximum Funding

The maximum funding available for the Contract resulting from the bid solicitation is \$4,000,000.00 (Applicable Taxes extra). Maximum funding per year is \$800,000.00 (Applicable Taxes extra). Bids valued in excess of this amount will be considered non-responsive. This disclosure does not commit Canada to pay the maximum funding available.

After Article 4.2 Basis of Selection - Highest Combined Rating of Technical Merit and Price:

Add:

4.3 Example of Basis of Selection

The table below illustrates an example where all three bids are responsive and the selection of the contractor is determined by a 60/40 ratio of technical merit and price, respectively. The total available point's equal 135 and the lowest evaluated price is \$45,000 (45).

Basis of Selection - Highest Combined Rating Technical Merit (60%) and Price (40%)

	Bidder		
	Bidder 1	Bidder 2	Bidder 3
Overall Technical Score	115/135	89/135	92/135
Bid Evaluated Price	\$55,000.00	\$50,000.00	\$45,000.00
	Calculations		
Technical Merit Score	$115/135 \times 60 = 51.11$	$89/135 \times 60 = 39.56$	$92/135 \times 60 = 40.89$
Pricing Score	$45/55 \times 40 = 32.73$	$45/50 \times 40 = 36.00$	$45/45 \times 40 = 40.00$
Combined Rating	83.84	75.56	80.89
Overall Rating	1st	3rd	2nd

- 1) If more than one Bidder is ranked first because of identical overall scores, then the Bidder with the highest technical score will become the top-ranked Bidder.
- 2) One contract may be awarded in total as a result of this bid solicitation.

At Article 6.1 Security Requirements:

Delete: 1. At the date of bid closing, the following conditions must be met:

Insert:

1. At the date of contract award, the following conditions must be met:

At Article 7.4.1 Period of the Contract:

Delete: The period of the Contract is from May 1, 2019 31 March 31, 2022 inclusive.

Insert: The period of the Contract is from May 1, 2019 31 March 31, 2024 inclusive.

At Article 7.4.2 Option to Extend the Contract:

Delete: In its entirety.

Questions and Answers:

Q1. - Insofar as this is a Task Authorization Contract (TAC), a Security Clearance is not required until a tasking with specific security requirements has been identified. It is our understanding that the majority of the work released under the preceding contract was UNCLASSIFIED. As such, a Security Clearance of any kind is not required on Contract Award. It is recommended that the requirement be modified to stipulate that:

1. At least one member of each group is cleared to Secret at Bid Submission
2. All remaining members either have Enhanced Reliability or are currently under review for a Security Clearance; and
3. Work will not commence until it has been demonstrated that all implicated personnel have the appropriate security clearance. Is this acceptable?

A1. – No. The change that we will make is that security must be met at contract award vs bid closing.
