## **Note: Mandatory Requirements**

All of the contractor's maintenance staff that will be assigned to provide maintenance services to the elevating devices listed in this contract shall provide documented proof certifying that they have received formal training in maintaining and troubleshooting on the following equipment: Otis Gen2, JRT Controllers, and Galaxy Controllers.

Before the final award approval, the contractor shall be required to demonstrate in the presence of the departmental representative that they can perform all required maintenance, trouble shooting, and code required tasks which shall include the contractor to have on hand any tools, equipment approved diagnostic device, and other computer required devices complete with written instructions on how to:

- monitor,
- set up,
- calibrate, and
- interacting procedures required to safely operate the elevating devices.

The contract shall not be awarded unless all technical demonstration procedures have been met to the satisfaction of the Departmental Representative.

The minimum time required to execute all required code mandated monthly maintenance tasks shall be based on one hour per device, no exceptions.

The approved contractor shall be required to sign in at the commissioner's desk upon arrival, and prior to leaving the premises.

Payments shall be withheld pending if the time in time out in the commissioner's log does not reflect eight hours of span between sign in and sign out.
