QUESTIONS AND ANSWERS

Question 1: We understand that the security clearance required at contract award as described in 6.1.1 is different from the normal government security clearance as issued by PWGSC. Per the RFP: "The Contractor is required to be security cleared at the level of Reliability Status as verified by the personal Security Unit (PSU) of the Royal Canadian Mounted Police (RCMP)." Can you confirm the RCMP issued security clearance is required?

Answer 1: The Contractor is required to be security cleared at the level of Reliability Status as verified by the Personnel Security Unit (PSU) of the Royal Canadian Mounted Police. However, the Contractor is not required to be security cleared at bid closing (refer to 1.1 Security Requirements of the RFP). The firm recommended for contract award will be contacted once the evaluation of the bids are complete. Further instructions regarding the security process will be given at that time.

SOLICITATION REVISIONS

1. At 6.1.1, in the English Solicitation only, DELETE in its entirety and INSERT:

“6.1.1 The following security requirements (SRCL and related clauses) apply and form part of the Contract.

The Contractor is required to be security cleared at the level of Reliability Status as verified by the Personnel Security Unit (PSU) of the Royal Canadian Mounted Police (RCMP).

The Contractor SHALL NOT remove or make copies of any DESIGNATED or CLASSIFIED information or assets from the identified work site(s).”
