Amendment 003

Amendment 003 is being issued for the following:

Question #1:

In the requirement it is referenced to "Sealed Pattern: DCGE 512-66". Can you send the related document?

Answer #1:

Please refer to Amendment 001, Question #1.

Question #2:

The requested delivery time for the firm quantity, June 30, 2019, is tight, and the fact that awarded date is not known, it is hard to confirm we can deliver the goods by that time. Could you revise it based on the time of approval of pre-production sample? 12 weeks delivery time after approval of pre-production sample is reasonable based on normal manufacturers lead time, and we would like to ask if it is acceptable?

Answer #2:

The delivery deadline is now extended, please refer to Amendment 002.

All other terms and conditions remain the same
