This Amendment 001 is raised to answer a Bidder's question; to add the clause for sample request; to provide additional acceptable products; and to change the closing date to May 10, 2019 at 2pm EDT.

*** Question:**

Please provide the cd/drawings for this respective requirement.

Answer:

It is the Bidder's responsibility to determine and demonstrate that a proposed part number is equivalent to the part numbers specified in the RFP. DND does not hold the drawings or design, as they are proprietary to the manufacturer.

*** At Part 3, Section I Technical Bid:**

Insert:

3.1.2 Equivalent Products - Samples (DND)

If the Bidder offers an equivalent product, Canada reserves the right to request a sample from the Bidder in order to determine its equivalency in form, fit, function, quality and performance to the item specified in the bid solicitation.

The Bidder must, upon request from the Contracting Authority, provide a sample to the Technical Authority, transportation charges prepaid, and without charge to Canada, within twenty (20) calendar days from the date of request. The sample submitted by the Bidder will remain the property of Canada and will not be considered as part of the deliverables in any resulting contract. If the sample does not meet the requirements of the bid solicitation or the Bidder fails to comply with the request of the Contracting Authority, the bid will be declared non-responsive.
