This Invitation to Tender is for Fisheries and Oceans Canada.

Title: Slipway Reconstruction

Work site location: River of Ponds, Great Northern Peninsula, NL

This Invitation to Tender Package includes the following:

1. Invitation to Tender Notice
2. Specifications/Drawings
3. Construction Tender Form (**Mandatory - to be completed by Bidder**)

CLOSING LOCATION(S):

Location #1 – For electronic submissions ONLY

Please send your electronic proposal to: Kimberly.Walker@dfo-mpo.gc.ca

The maximum size per email (including attachments) is limited to **10MB**. If the limit is exceeded, your email might not be received by DFO. It is suggested that you compress the email size or send multiple emails to ensure delivery. Bidders are responsible to send their proposal and to allow enough time for DFO to receive the proposal by the closing period indicated in the RFP.

For bids transmitted by email, DFO will not be responsible for any failure attributable to the transmission or receipt of the email bid. DFO will send a confirmation email to the Bidders when the submission is received.

Location #2 - For hard copy submissions

Fisheries and Oceans Canada,
Attention: Kimberly Walker
Ref: F5211-190104
Procurement Hub – Fredericton Office,
301 Bishop Drive, Fredericton, NB, E3C 2M6

Please Note:

All bids security are to be submitted in hard copy by the bid closing date and time to the mailing address indicated above whether the bid submission is sent via Location #1 or Location #2.

DELIVERABLES / SCOPE OF WORK

The work for this project consists of the furnishing of all plant, labour, equipment and materials for slipway reconstruction at River of Ponds, Great Northern Peninsula, Newfoundland and Labrador, in strict accordance with specifications and accompanying drawings and subject to all terms and conditions of the contract.

In general, work under this contract will consist of, but will not necessarily be limited to, the following:

Fisheries and Oceans
Canada

- Demolition, removal and disposal of all existing hardwood timber decking members and PT support beams.
- Demolition of all concrete supports and reuse these supports in the backfill of the new work to be completed.
- Demolition, removal and disposal of the existing steel support beams, brackets and associated steel items as indicated on drawings
- Demolition, removal and disposal of the existing asphalt pavement as indicated on the accompanying drawings.
- Construct a new timber slipway complete with rock fill, concrete footings, timber cribs, concrete piers, timber beams, hardwood runners and timber wood decking as indicated on accompanying drawings.
- Construct a new concrete boat launch way ramp 41.2 m long x 4.9 m wide complete with wheel guard as shown on drawings.
- Construction of new reinforced concrete upland apron along the top edge of the new slipway as shown on drawings.
- Supply and installation of new armor stone along the new launch way as shown on drawings.

FAMILIARIZATION WITH SITE

Before submitting a bid, bidders can visit the site and its surroundings, at their own expense and schedule, to review and verify the form, nature, and extent of the work, materials needed for the completion of the work, the means of access to the site, severity, exposure and uncertainty of weather, soil conditions, any accommodations they may require, and in general shall obtain all necessary information as to risks, contingencies and other circumstances which may influence or affect their bid. No allowance shall be made subsequently in this connection on account of error or negligence to properly observe and determine the conditions that will apply.

Contractors, bidders, or those they invite to site are to review specification section on Health and Safety before visiting site. Take all appropriate safety measures for any visit to site, either before or after acceptance of bid.

EXPECTED START AND COMPLETION DATES

The services of the Contractor will be commencing upon contract award. The expected completion date of this project is **18 weeks after contract award**.

MANDATORY REQUIREMENTS:

- The minimum acceptable amount of Public Liability and Property Damage Insurance is **\$2,000,000.00** per occurrence. All tenders **must** be accompanied by confirmation from the tenderer's insurance company that the required insurance will be available upon contract award;

Question and Answer period: DFO will accept questions from Bidders **until Tuesday, May 7, 2019 at 2:00 pm Atlantic Time**. These are to be sent **directly and only** to the contracting Officer listed below.

Enquiries regarding this Invitation to Tender are **ONLY** to be submitted in writing by emailing to the following:
