PROJECT TITLE

GATEWAY EXTERNAL ROBOTICS INTERFACES (GERI) LARGE AND DEXTEROUS ARMS INTERFACES – PHASE A

This Amendment 001 provides the following additional information, corrections or answers:

1. Please note that a minor correction is introduced to the address where bids must be sent: the PWGSC Bid Receiving Unit is located in the **South-West** (not South-East) Portal of the Place Bonaventure in downtown Montreal. Accordingly, Bids are to be sent to the following address:

Bids Receiving Unit
Public Works and Government Services Canada
Quebec Region

Place Bonaventure, 7th Floor, Suite 7300 **South-West** Portal
800 De la Gauchetière Street West
Montreal, Quebec, Canada
H5A 1L6

2. **Important clarification regarding the Mandatory Non-Disclosure Agreement (NDA):**

As mentioned under the section 2.2.1 of the RFP, Bidders will need to review several documents that contain confidential or proprietary information to Canada or to third-parties. These documents contain information that is deemed absolutely essential for bidders to be aware of and to understand for them to submit a responsive bid. **Accordingly, bids coming in from Bidders that have not submitted an NDA to the Contracting Authority, and that therefore have not accessed these documents, WILL NOT BE EVALUATED.** It is therefore absolutely essential that Bidders provide the Contracting Authority with a signed NDA, at the earliest opportunity, and that access to such confidential documents, covered under the NDA, be granted to the bidder by the Canadian Space Agency, through their "S-Filer" system as soon as possible.

ALL OTHER TERMS AND CONDITIONS OF THE RFP REMAIN UNCHANGED.
