4. Will a copy of the presentation be made available?	Yes. A copy of the presentation will be posted on buyandsell.gc.ca in both official languages.

4. Frequently Asked Questions

Questions	Answers
5. a) What is the budget? b) What is the value of the current contract?	a) The GC does not publish project budget numbers b) The value of the current contract is available on buyandsell.gc.ca
6. Is there an incumbent?	There are two incumbents: a) Cossette Communications b) Technologies Adgear
7. Can I email my bid?	The submission process is set out in the RFP Section 2.2. The epost Connect service provided by Canada Post Corporation is the only accepted means of electronic bid transmission.
8. What is the process for questions during the RFP process?	The process is set out in the RFP Section 2.4. Questions must be submitted in writing no later than 7 calendar days before the bid closing date.

4. Questions from participants

Questions	Answers
Q1. 4.2 Basis of Selection: Is the ranking of #2 and #3 reversed? Shouldn't a grade of 73.15% be 3rd on the basis of the highest combined rating?	Yes, this will be corrected in a subsequent amendment.
Q2. A.4.1.3.1: Are travel costs for the 4 training sessions or seminars per year reimbursed to the Contractor?	Yes. Unless otherwise indicated, travel costs will be reimbursed, in accordance with ANNEX "B", BASIS OF PAYMENT, B.6 Travel and Living Expenses.
Q3. A. 4.2.3.3 - Ad Verification (all digital media): Are you open to using a combination of verification tools?	Yes. Any number of tools can be used to meet the requirement; however, regardless of the number of tools used, the services will be paid based on a single CPM fee, in accordance with ANNEX "B", BASIS OF PAYMENT, B.3.2.2.3 Ad Verification Technology (AVT).
Q4, A.4.3.2.1: Are travel costs for the additional training sessions or seminars reimbursed to the Contractor?	Yes. Unless otherwise indicated, travel costs will be reimbursed, in accordance with ANNEX "B", BASIS OF PAYMENT, B.6 Travel and Living Expenses.

4. Questions from participants

Questions	Answers
Q5. B.3.2.2 - DSP, Ad Server and Ad Verification Technology: Are you open to other forms of rates than the ones indicated in the RFP?	The bid solicitation must be structured to enable bids to be evaluated on equal terms. Should bidders consider that the specifications or Statement of Work contained in the bid solicitation could be improved technically or technologically, they may submit suggestions in accordance with section 2.6 Improvement of Requirement During Solicitation Period.
Q6. D2.1 Mandatory Technical Evaluation: Is there a maximum page count for answers to M1, M2 & M3?	The submission requirements in M1 and M2 indicate to complete the checklists provided, i.e. MET / NOT MET. Bidders are not required to submit any additional information for M1 and M2. The submission requirement in M3 indicate that bidders must provide written evidence demonstrating that each M3 requirement is met. In this case, no page count limit is indicated to provide the written evidence.

4. Questions from participants

Questions	Answers
Q7. In section D2.1 Mandatory Technical Evaluation the submission requirements for M1 and M2 are “complete the checklist above”. Can you confirm that you are only looking for a response that is a checked box in either Met or Not Met or is there a requirement/opportunity for us to describe how we meet the requirements listed.	The submission requirements in M1 and M2 indicate to complete the checklists provided, i.e. MET / NOT MET. Bidders are not required to submit any additional information for M1 and M2.
Q8. Is there currently a DMP being used? If so, who is the owner of the DMP?	Yes. The owner is AdGear Technologies Inc. AdGear is currently the Government of Canada’s (GC) Advertising Technology Provider. AdGear currently provides DMP, DSP and ad server services to support the GC’s digital advertising activities managed by the Agency of Record.

4. Questions from participants

Questions	Answers
Q9. In the RFP document there is a mention of AdGear as the ad server for digital campaigns. Is there an ongoing contract with AdGear that would continue into the new agency contract period? Is there an opportunity to review AdGear vs. alternative ad serving options?	Bidders are not required to use the AdGear ad server. AdGear is currently the Government of Canada's (GC) Advertising Technology Provider. The contract will end shortly after the new Agency of Record (AOR) contract begins. The new AOR contract integrating both AOR and advertising technology services will take over all advertising services to institution on December 1st, after Phase I of the transition-in period, as described in the Statement of Work, section A.4.1.1.3.1.
Q10. Does the "Oral Presentation" need to be submitted with the written responses on May 28th?	No.

4. Questions from participants

Questions	Answers
Q11. What is the biggest challenge facing the Federal Government's advertising efforts?	Transparency and accountability, due to the continuously evolving environment and the challenge with numerous media suppliers that have their own metrics and don't allow or limit options for third-party verification.
Q12. In the past, the Federal Government issued 2 separate RFPs: one for AOR for buying/planning and one for AOR for tech. Is this RFP a combination of both needs?	This RFP covers a range of service requirements including those previously provided under the Agency of Record and Advertising Technology Provider contracts.
Q13. Could you please explain the all-inclusive lot price described under section B.2 Management Services (ongoing). Is this a monthly payment to the successful bidder separate from / in addition to any other fees owing for services provided under B.3?	The all-inclusive lot price indicated in B.2 Management Services (ongoing) is for all services described in ANNEX "A", STATEMENT OF WORK, A.4.1 Management Services. It is a monthly payment for the duration of the contract period, in addition to any other fees owing for services provided under B.3 Advertising Services (as a when requested). The services in B.2 are ongoing whereas the services in B.3 are as and when requested.

4. Questions from participants

Questions	Answers
Q14. Are appendices allowed or strictly the 4 pages per question?	Where four (4) pages is indicated, this includes the entire content, including appendices.
