SOLICITATION AMENDMENT #1 REQUIRED TO INCORPORATE THE FOLLOWING CHANGE TO THE SOLICITATION;

1. Addition of Bidders' Questions and Canada's Responses – Annex B

Solicitation #W3555-200418

REQUIREMENT: REQUEST FOR PROPOSALS (RFP): LTPS HMCS Calgary & HMCS Ottawa

SET # 1

1. Is scaffolding and shrink wrap mandatory? If so is it to be provided by the contractor?
Steel surface temperature concerns both hot and cold and bad weather delays would indicate the need for hoarding.

Yes, to prevent damage, contamination, and overspray to ship's structure, equipment, and electrical/electronics, fittings, and non-painted surfaces, as per Precautions, pg 3, para 4.d. of each spec. Scaffolding and hoarding requirements are to be contractor furnished.

2. Will FMF be providing all ventilation and temporary services?

Yes, FMF shall be responsible for providing all ventilation and temporary services.

3. Which flight deck line drawing do we use?

Drawing 1950008r 2019-04-08 is to be referenced, attached via separate correspondence. Note ships letters should read 1524 mm vs 1830mm in height, CAL letters to read CA, OTT letters to read OA.
