Question 78:

Amendment # 11 – Q&A 34 states “The billable days in article MTC1, 1 E) and F) only apply to categories that are the same or similar to the workstream specific category....”

If a vendor is responding using a contract where only the required roles have been procured can the Crown please confirm that not all the resources had to have billed a 120 days and for the period of 1 year?

For example if on a single TBIPS contract a vendor has placed 10 Programmer Analyst 2 and/ or 3 resources, of these 10 resources 4 have worked 120+ days over a 1 year period; several of the resources worked 120+ days but not over a year and some have worked less than 120 days but the contracts are ongoing. Please confirm that this reference would be compliant with respect to the MTC1 requirements?

Answer 78:

In the Bidder's example, the reference contract must have 1 resource that meets the 120 billable days for the identified resource category for a period of one year as detailed in MTC1, 1. e).

The identified contract(s) must have a cumulative total of at least 2000 billable days covering a period not more than three years.

The Bidder's example would meet the 120 billable days over a period of one year for the identified resource category.

It is the Bidder's responsibility to ensure that all the requirements of MTC1 are met.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME
