

RFQ Amendment # 2

Solicitation number / Numéro de l'invitation: CSPS-RFB-18CP-1700

Title / Sujet: Drones

To all bidders, NO consideration will be given for extras and/or changes because the Bidder was not familiar with the contents of this Amendment.

The purpose of the present Amendment is to give effect to the followings question and answer.

Question 8: Further to CSPS's response to question 1 when thinking about the description of an Easy Carry Vest to carry the drone we view these items as important;

– Durable, strong & lightweight neoprene body with nylon straps.
Does CSPS have a preference for the material makeup of the body and straps?

Answer 8: CSPS does not have a preference.

Question 9: Regarding High-quality ballistic nylon with thick padding for extreme comfort.
Does CSPS want thick padding?

Answer 9: CSPS does not have a preference.

Question 10: Regarding adjustable shoulder straps. One size fits all.
Does CSPS want the vest/backpack to be unisex and adjustable?

Answer 10: Yes, CSPS would like the vest/backpack to be unisex and adjustable.

Question 11: Regarding safely transporting your drone with battery & remote.
Does CSPS want to be able to transport the battery and remote?

Answer 11: Yes, but keep in mind there's also a backpack with more space in it to carry more things in the list as describe in Annex A

Question 12: Regarding the 4 propeller slots, 1 battery slot, 1 remote strap.
Is it acceptable if the vest/backpack has slots for propellers, batteries and a remote strap?

Answer 12: Yes it is acceptable.

Question 13: Regarding the perfect accessory for short trips & light traveling.
Will CSPS need a vest that is required for long trips and heavy traveling?

Answer 13: No since in the list provided in Annex A there's already a backpack for long trips.

Question 14: Further to CSPS's response's to question 2, could CSPS elaborate on what is meant by an 8PC filter kit. Is this what is meant?

- Includes six filters, one cleaning cloth and a convenient carry case.
- Includes a multicoated ultraviolet filter (UV), ND4 filter, ND8 filter, ND16 filter, ND32 filter and multicoated circular polarizing (CPL) filter.
- Includes a soft microfiber cleaning cloth to wipe off fingerprints and smudges.
- Carry and store all lenses safely and securely with the included aluminum-style protective case.

– The 8-piece Filter Kit is compatible with DJI Mavic 2 Zoom

Answer 14: Yes, this is what CSPS is looking for.

Question 15: Further to CSPS's response to question 3, can the deluxe backpack have an aluminum internal support frame? »

Answer 15: Yes, the deluxe backpack can have an aluminum internal support frame.

Question 16: Can the deluxe backpack have an adjustable shoulder harness?

Answer 16: Yes, the deluxe backpack can have an adjustable shoulder harness.

Question 17: What is the function of the backpack?

Answer 17: The function of the backpack is to carry the drone and its controller.

Question 18: What makes it "deluxe" rather than a normal backpack?

Answer 18: It is just the name of the bag. The backpack doesn't have to be deluxe.

Question 19: What is going into the backpack?

Answer 19: The drone and the controller will go into the backpack.

Question 20: What are the desired dimensions of the backpack?

Answer 20: CSPS does not have the exact specifications but we require something big enough to fit the drone and its controller.

Question 21: Further to CSPS's response to question 7, regarding the number of supplies, does this mean you want 2 of everything that is highlighted in "Manufacturer Accessories" the "Fly More Kit" and "Additional Accessories Include." I believe the answer is "Yes" but it is confusing when the accessories talk about "3x" or "2x."

Answer 21: We need two drone bundles. If something says 3x then we need twice that amount.

Question 22: The accessories requested say "3x Battery Bags for DJI Mavic 2 Intelligent Flight Batteries"

- a) Can CSPS please explain what "3x" is referring to?
- b) Does CSPS expect the materials to be fire-resistant?
- c) Is this intended for the Single 6S LiPo Battery or some different type of battery?
- d) Is the hook-and-loop closure acceptable or does the bag have to close in a different way?

Answer 22:

- a) We will need 3 per bundle, for a total of six.
- b) CSPS does expect them to be fire-resistant.
- c) It is intended for a single Mavic 2 Intelligent Flight Battery
- d) The hook-and loop is acceptable.

Question 23: The accessory requested that says, "Pro Range Extender/Booster Remote Control Extender Mount Remote Sunshade."

- a) What is this referring to?
- b) Is it a wifi extender?
- c) What kind of range do you expect on it?
- d) Do you need it to be portable?

Answer 23:

- a) It's an accessory that attaches itself to the controller to give it better range.
- b) No it is not a wifi extender.
- c) There's no official number on how much more range you will get since it's affected by many factors.
- d) Yes CSPS need it to be portable.

Question 24: As for the "2x Pairs Quick Release Propeller" and Car Charger, they are already included in the Fly More Kit, is the specification attempting to ask for 2 more propeller pairs and 1 more car charger?

Answer 24: Yes, CSPS would like to have 2 more propeller pairs and 1 more car charger.

Question 25: For all of the items highlighted in ***bold, italics and underlined*** can you please provide pictures of these accessories? Or references for the nature of the items?
