Solicitation Amendment 001

This amendment is being raised to 1) incorporate an Extension of Time for the receipt of proposals, 2) add the fax number on the front page of solicitations, and 3) provide responses to Requests for Clarification.

1) Extension of Time

Notice is hereby given that the closing date for the reception of proposals previously due Wednesday, June 5, 2019 is extended to **14:00 hours EST, Thursday June 6, 2019.**

2) Front Page of Request for Proposal

The fax number for bid submissions has been added.

3) Requests for Clarification

- Q1. GI 2. Introduction, 1. And AD 1.2 Consultant Team, 1. – Both list a requirement for Fixed Bridge or culvert less than 20 metres in length. Could you please expand on the term “fixed”? Does this refer to a rigid frame or box type of structure for a bridge or culvert?
- A1. A fixed bridge is a structure spanning and providing passage over a gap or barrier, such as a river or roadway, and it is not movable for passage of boats or barges.
- Q2. 3.2.3 Past Experience – For the designated structure/lighthouse/fixed bridge project, does the bridge length need to be limited to 20 m or can it be longer?
- A2. A bridge for both fixed bridge and movable bridge, length of 20 m or longer, is acceptable for past experience.
- Q3. 3.2.4 Senior Personnel Expertise and Experience – Could you please expand on what is meant by “approximately” two pages in length?
- A3. CVs submitted under SRE 3.2.4 and 3.2.5 for evaluation will be counted against the 40 page limit for Rated Criteria. Two pages are stated as a guideline for how much information we expect to be provided under these criteria.
- Q4. 3.2.5 Project Personnel Expertise and Experience – Is there a limit to the number of pages for each CV?
- A4. There is no page limit for CVs but CVs submitted for evaluation under SRE 3.2.5 will be counted against the 40 page limit for Rated Criteria.

- Q5. TP 10 states, "The following costs shall be included in the fees and shall not be reimbursed separately, travel time"; and "The following disbursements shall be reimbursed Travel Expenses". Can you clarify the above? Is the consultant to build in travel time into our standard hourly rates? Or will travel time to and from sites be paid but is not to be a separate line item on invoices?
- A5. Travel time shall be included in the fees and not be reimbursed separately. Travel related expenses will be paid (with prior approval of the Departmental Representative) in accordance with current National Joint Council (NJC) Travel Directive (<http://www.njc-cnm.gc.ca/directive/index.php?dlabel=travel-voyage&lang=eng&did=10&merge=2>)

All other terms and conditions of the solicitation remain the same.
