Amendment 002

This amendment is raised to:

- A. Answer questions from bidders
- B. Amend the price table

A. Questions and Answers

Q2. The unit price table in the specification says 750mm diameter pipe but the drawings all indicate a 600mm diameter pipe. Could you please clarify which size is correct?
A2. The correct size is 600mm. Notice of the amendment is provided below.
Q3. Would the Boss 3000 Steel Reinforced Polyethylene Pipe be considered as an approved alternate? The connection for this pipe would be bell and gasket.
A3. Although the Boss 3000 meets the requirements for SRPE pipe, the bright orange interior color of the Boss 3000 will not be acceptable as an approved alternate.
