The Request for Proposal (RFP) Amendment 002 is raised to answer Bidders' questions and amend the RFP.

**Question 3:**

Regarding ATTACHMENT 4.1 - MANDATORY EVALUATION CRITERIA:

R.2 in both Workstreams requires a bidder to submit 3 contracts demonstrating IT Security Professional Services for Cloud Security and Identity and Access Management experience. Can Canada please confirm that a bidder can reference the same contract to demonstrate both **Cloud Security** and **Identity and Access Management** experience given that the referenced contract is compliant with the rest of the requirement and meets the requirements established in Criteria M.1?

**Answer 3:**

Confirmed.

**Question 4:**

Could you please advise why this original NPP (notice of proposed procurement) was cancelled?

**Answer 4:**

Solicitation 24062-190077/A was cancelled due to requirement changes.

**Question 5:**

Regarding Workstream 2 – M1. Can the Crown please clarify the requirement under Bullet 'e' Referenced Contract – Resource Category? Our understanding is that 3/4 resource categories must be included in a single reference contract in order for that contract to be compliant. Bullet 'e' is slightly conflicting as it requests minimum 150 billable days for a resource category, and then requests minimum 300 billable days for a resource category.

**Answer 5:**

Please refer to Solicitation Amendment No. 001.

**Question 6:**

Regarding WS2 – R3. Under 'Substantiation of Technical Compliance', the wording limiting reference contracts to only those submitted under WS2 – M1 is omitted. Can the Crown please confirm additional contracts (other than those submitted under M1) are eligible for submission under R3 to demonstrate billable days?

**Answer 6:**

The Bidder's substantiation of technical compliance with Criteria R.3 should be demonstrated using the response templates in Attachment 4.3. The information contained in the completed response template in Attachment 4.3 in response to Criteria M.1 will also be used to evaluate R.3. Any referenced contract that does not meet the requirements established in Criteria M.1 pertaining to individual contract will not be considered. The Bidder must not submit additional contracts to demonstrate its compliance with Criteria R.3.
