- Q2.** Annex B – The rates are to be posted for all years until 2024. If a contract is awarded, will the contractor be able to adjust rates for 2 to 3 years out due to Hotel cost of living increases?
- A2.** Annex B allows the Offeror to increase rates in the bid on an annual basis. If a Standing Offer Agreement (SOA) is issued, the rates submitted by bid closing will be the rates included in the SOA.
- Q3.** Statement Of Work - Section 4 - Item 4.5 – Contractor must provide a staff member as the POC – is the POC expected to be located at the Hotel throughout the project?
- A3.** No, the POC is not expected to be located at the accommodations.
- Q4.** Statement of Work - Section 2.1.2.3 – states each room must have a private 3 piece bathroom – does this mean the double occupancy units must have 2 separate bathrooms and cannot share a one bathroom per unit?
- A4.** The occupants of the double-occupancy units are expected to share a bathroom.
- Q5.** No Related Section - Can you explain the difference between a Contract versus a Request for Standing Offer and what is a Call-Up?
- A5.** Contract:
- An agreement between two or more persons, which creates an obligation to do or not to do a particular thing. Its essentials are competent parties, subject matter, a legal consideration, mutuality of agreement and mutuality of obligation.
 - Under the Government Contracts Regulations, a contract means a construction contract, a goods contractor and a service contract entered into on behalf of Canada by a contracting authority.
- Standing Offer:
- An offer from a supplier to provide goods and/or services to clients at prearranged prices or pricing basis and under set terms and conditions for a specified period on an as-and-when requested basis. A separate contract is entered into each time a call-up is made against a standing offer. When a call-up is made, the terms and conditions are already in place and acceptance by Canada if the supplier's offer is unconditional. Canada's liability is limited to the actual value of the call-ups made within the period specified in the standing offer.
- Standing Offer and Call-up Authority (SOCA):
- A document issued by the standing offer authority that serves two primary purposes:
 - notification to the offeror, that authority to call-up against a standing offer has been given to specific authorized users in respect of its standing offer; and
 - notification to clients, that, in respect to a specific standing offer, authority to call-up against the said standing offer has been granted to them as provided in the standing offer.
- Q6.** No Related Section – Is there a table of lodging rates that suggest a threshold that should not be exceeded, which is commonly known as per diem rates? If so, where can it be located?
- A6.** https://www.njc-cnm.gc.ca/directive/app_d/en

Q7. No Related Section – SACC Manual – can the complete manual be downloaded in one file or is every section separate?

A7. The manual can be found at the following web link (enter the SACC clause ID or Title to find specific clauses):

https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions_manual/all

Q8. Your bid defines a need for 2 bedroom suites that have a separate bedroom and living area. The rooms we have are much larger than normal suites but do not have a wall dividing the beds. Can you check to see if the attached pictures would be allowable as a double occupancy room.

A8. Our requirement is for two bedrooms for double-occupancy rooms. The attached pictures do not meet this requirement.

If your bid has already been forwarded and you wish to revise the same, this revision should reach the Bid Receiving Unit identified before the closing date. The bid number and closing date are to be clearly identified.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.
