## SOLICITATION AMENDMENT NO. 001

This amendment is raised to:

1. Provide answers to Bidders questions in relation to the above mentioned solicitation; and
2. Amend the RFP as detailed in Appendix A-1 below.

---

### Question 1:

In order to score max points on the rated the Crown is requesting a total of 17 contracts in Cyber security within the past 8 years. In order to score full points for R3, the Crown is requesting 5 additional contracts with a duration of 2 + years, with 2 resources simultaneously for 12 consecutive months and over \$1,000,000.00 value. The majority of Cyber contracts currently in place are shorter term and do not require resources to work simultaneously for a period of 12 months. In order to promote open and fair competition, we respectfully request that the 2 year duration of the contracts provided for R3 be removed. In addition, we respectfully request the requirement for 2 resources to work simultaneously be removed and that the contract dollar value be reduced to \$500,000.00.

### Response 1:

Please refer to Appendix A-1 below.

<b>Solicitation No. – N° de l'invitation</b> W6369-18CY01/A	<b>Amd. No – N° de la modif.</b>	<b>Buyer ID – Id de l'acheteur</b> 006IPS
<b>Client Ref. No. – N° de réf. De client</b> W6369-18CY01	<b>File No. – N° du dossier</b> 006IPS. W6369-18CY01	<b>CCC No./ N° CCC – FMS No/ N° VME</b>

### Appendix A-1:

#### 1. Canada has amended the RFP as follows:

At Attachment 4.2 – Point-Rated Criteria, Workstream B: Point-Rated Technical Criteria, **B-R3** is revised as follows:

*In addition to the two (2) contracts provided in B-M2, the Bidder should clearly demonstrate its experience in providing Informatics Professional Services through the issuance of other contracts which meet the following:*

1. *The value must be at least **\$500,000.00** excluding applicable taxes;*

**and**

*Each contract used must also demonstrate that the Bidder has provided services to an organization with the following environment:*

- *At least 100 workstations on a classified network or secret network;*
- *Microsoft Windows workstation operating system (Windows XP, Windows Vista, Windows 7 and/or Windows 10); and*
- *Centralized software distribution and patch management.*

*The Bidder must provide one reference for each contract. The references must include the name of the organization, the unique contract identification number, a short description of the services provided, the name, title, email address and telephone number of the organization's responsible manager, the number of resources provided, as well as the award date, expiry date and dollar value of each contract. It is the Bidder's responsibility to ensure that any information divulged has the permission of the references provided.*

*The Bidder must have been the prime contractor, rather than a subcontractor. This means that the Bidder contracted directly with the customer of the work. If the Bidder's contract was to perform work which another entity had itself first contracted to perform, the Bidder will not be considered the prime contractor. For example, Z (customer) contracted with Y for services. Y, in turn, entered into a contract with X to provide all or part of these services to Z. In this example, Y is a prime contractor and X is a subcontractor.*

*Bidders are reminded that a Supply Arrangement or Standing Offer is not a contract and therefore any reference to this type of document will not be accepted for the purpose of evaluating contract experience. For example if the Bidder references it's TBIPS SA number such as EN578-055605/XXX/EL for the purpose of demonstrating experience under the evaluation criteria, Canada will disregard this experience because it does not relate to a specific contract.*

**ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED**
