C. Questions and Answers

Q8 The tender document reads "Contractor personnel overseeing work in accordance with this Section 32 93 10 Trees, Shrubs and Ground Cover Planting shall be a registered professional forester (R.P.F.)". Is it possible to change this requirement to "appropriately qualified professional" to allow this work to be overseen by a R.P.F. or a Registered Professional Biologist (R.P.Bio.)?

A8 See revised specifications above

Q9 Plant quantities are not made clear on the Mannix Pit Rehabilitation – Planting Plan – Drawing L001-002. Can you please indicate the approximate number of whips and plugs that are required for each species? This estimate is required for determining time required for whip collection and installation and the shrub and grass supply and installation.

A9 Please refer to the unit price table for quantities in the Invitation To Tender (ITT) document.
