Solicitation Amendment 001 is raised to answer questions from the Industry:

- Q1.** In section 6.2 of the RFSO, it states “*The (1) Principal Resource, one (1) Senior Specialist, one (1) CIH or ROH, two (2) Intermediate Specialists and two (2) Junior Specialists must hold a valid personnel security screening at the level of SECRET, all others must EACH hold a valid RELIABILITY STATUS apart from the CAD Technician”. Do resources requiring SECRET level clearance need to be cleared at time of submission of response, or can some the SECRET level clearance be in process with CISD?
- A1.** Please refer to part 6.1 *Security Requirements* Section 1 and note that Section 2 specifies the following: *Offerors are reminded to obtain the required security clearance promptly. Any delay in the issuance of a standing offer to allow the successful Offeror to obtain the required clearance will be at the entire discretion of the Standing Offer Authority.*
- Q2.** In Section MT1 it states “Minimum educational is either University degree or a College diploma in Environmental Sciences or related scientific or engineering disciplines and must be demonstrated by providing copies of diploma.” Is there an alternative for a number of relevant years’ experience to qualify for any of the required resources?
- A2.** No there are no alternatives.
- Q3.** In regards to section MRT1 Team Approach/Management of Services, does the submission to PWGSC need to be in a table format or can we submit our responses in a paragraph format?
- A3.** Table format of maximum 2 pages.
- Q4.** In regards to Section MRT2, can submissions be in an offerors own table format that includes all the requirements listed in the PSPC format to maximize space for response?
- A4.** The size of the table can be modified, but not the format.
- Q5.** If a company holds valid CISD issued Facility Security Clearance. If the company is in the process of an application to upgrade our clearance to include Document Safeguarding Capability at the time of bid closing, is this acceptable?
- A5.** Please refer to part 6.1 *Security Requirements* Section 1 and note that Section 2 specifies the following: *Offerors are reminded to obtain the required security clearance promptly. Any delay in the issuance of a standing offer to allow the successful Offeror to obtain the required clearance will be at the entire discretion of the Standing Offer Authority.*
