Amendment 001 is raised for the following:

Question 1: Can you advise the overall length required for the new jackets for this project?

Answer 1: Pile repair is measured for payment per each. For estimating purposes, in addition to total quantity of piles to be repaired, elevations and dimensions are provided to determine approximate repair lengths. Actual repair lengths will vary between piles and will be determined in the field based on existing conditions.

Refer to Specifications – Division 01 – General Instructions:

Section 01 10 10 – 1.9. Work Schedule:

INSERT:

.7 No access to the work site during fishing season will be permitted. This period is anticipated to begin approximately November 25th and extend until January 31st inclusive. Contractor to confirm the precise dates with Departmental Representative and coordinate with the Users as required.

All other terms and conditions remain the same.
