This amendment 004 is raised to answer questions from the offerors.

Q1: When the bidder is a joint venture, could you validate that all the resources requested can come from different members of this joint venture?

Example: In a joint venture formed by members A and B

- 2 senior resources come from company A
- 2 intermediate resources come from company B
- 1 of the subordinate resources comes from company B and the other from company B
- Additional resources come from A and B

R1: Please refer to Part 4 – Evaluation procedures and basis of Selection – 4.1.2. Technical Evaluation – 4.1.2.3 Joint Venture Experience

Q2: Is it possible to submit the offer by e-mail directly to amanda.assi @tpsgc-pwgsc.gc.ca?

R2: No, please refer to Part 2 – Offeror Instructions – 2.2 Submission of Offers and Part 3 of the RFSO.

Q3: Would it be possible to submit resources who hold valid enhanced reliability security clearances (particularly at the Junior Level). It is proving to be difficult to find junior level resources who currently hold secret security clearances. It appears that PSPC has put other measures in place to safeguard its' information.

R3: Security requirements must be met before issuing a Standing Offer. Please refer to Part 6 of the RFP.

The Contractor/Offeror personnel requiring access to CLASSIFIED information, assets or sensitive work site(s) must EACH hold a valid personnel security screening at the level of **SECRET**, granted or approved by the CISC/PWGSC

Q4: The Pricing Schedules on pages 11, 12 and 13 all include Optional Resources for Senior, Intermediate and Junior levels. For the purpose of these tables, can we assume that all six resource rows should be completed?

R4: Yes

Q5: For our submission, are we obliged to use the PDF pages within the RFP or can we recreate the 4 tables in our own document?

R5: Yes, but the tables must be in the same formats as the ones from RFP

Q6: We assume the references to (A) x (B) in Tables 2, 3 and 4 are typographical errors.

R6: Yes, For table 2 is (E) x (F), for table 3 is (I) x (J), for table 4 is (M) x (N)

Q7: There does not appear to be a single location where we would indicate the total of the Offeror's Evaluated Price.

R7: On page 13, the tenderer shall provide the TOTAL BID PRICE FOR EVALUATION.

Q8: Should we wish to submit our offer in hard copies, should the Financial Offer be included in a sealed and marked envelope?

R8: No just in separately bound sections, as it states in the RFSO – Part 3 Offer preparation instructions: If the Offeror chooses to submit its offer in hard copies, Canada requests that the Offeror provides its offer in separately bound sections.

Q9: Do we need to include a completed first page of the RFP with our offer?

R9: Yes, you will need to fill out the first page of the RFSO and sign it where it says Vendor/Firm.
