## Amendment 002

This amendment is being raised to extend the solicitation closing date, make revisions to the tender package, Bid and Acceptance Form (BA), Appendix 1 – Combined Price Form and Appendix 3 – Qualification Form.

### A) BID CLOSING DATE

The closing date for tender 5P420-19-0094/A is extended from July 3, 2019, 2019 to **July 10, 2019 at 2:00PM Mountain Daylight Time (MDT)**.

### B) TENDER PACKAGE REVISIONS

**Delete:** *DSP\_19-0079.zip* in its entirety

**Replace with:** *DSP2\_19-0079.zip*

Changes are shown in red in the specifications.

### C) BID AND ACCEPTANCE FORM, BA01 IDENTIFICATION

**Delete:** Parks Canada Agency requires a contractor to perform rock slope stabilization and catchment ditch clearing between km 12 and km 13 measured from the eastern park boundary on the Trans-Canada Highway in the westbound lane.

**Replace with:** Parks Canada Agency requires a contractor to rock slope stabilization **including hauling and disposing of debris material** and catchment ditch clearing between km12 and km13; **km25.9 and km26.3** measured from the eastern park boundary on the Trans-Canada Highway in the westbound lane.

### D) APPENDIX 1 - COMBINED PRICE FORM (ENVELOPE 2)

#### Section: UNIT PRICE TABLE

The estimated quantities of the following items have been changed as follows:

#### Previous:

E-mail address: \_\_\_\_\_

#### SUBMISSION REQUIREMENTS - CHECKLIST

The following list of documents and forms is provided with the intention of assisting the bidder in ensuring a complete submission. The bidder is responsible for meeting all submission requirements.

Please follow detailed instructions in R2710T General Instructions – Construction Services, GI09 Submission of Bid, as amended in SI04 Submission of Bid.

All forms, certification and resume requests in Appendix 3 should be completed and submitted with the bid. If any of these required documents are not completed and submitted with the bid, the Contracting Authority will inform the bidder of a time frame within which to provide the information. Failure to comply with the request of the Contracting Authority and to provide the certifications within the time frame provided will render the bid non-responsive.

Please be advised that PCA reserves the right to contact the person named for project reference to verify the information contained herein.

#### ENVELOPE 1

Bidders must complete the forms included herein that includes all the information contained therein. These forms or a copy identical in Content and Format and professional resumes must be included as part of the bid submission in "Envelope One - QUALIFICATIONS."

- Form No. 1a & 1b– Rock Slope Remediation Project
- Form No. 2 – Project Superintendent
- Form No. 3 – Deputy Project Superintendent
- Form No. 4a & 4b – Blasting Consultant
- Form No. 5a & 5b – Blaster
- Form No. 6 – Scaling Foreman
- Form No. 7 – Scaling Crew and Experience

Professional resumes of the below are included in Envelope 1 - Qualifications

- Project Superintendent (1)
- Deputy Project Superintendent (1)
- Blasting Consultant (1)
- Blaster (1)
- Scaling Foreman (1)
- Scaling Crew (minimum 6)
- Supervisor for Drilling Holes and Installation of Rock Bolts (1)
- Traffic Control Manager (1)
- Health and Safety Representative (1)
