SOLICITATION AMENDMENT 007

.....
This Solicitation Amendment is issued to answer a question from Industry and make a change to the Solicitation.
.....

SECTION A - QUESTIONS AND ANSWERS

Question 34

Since our off the shelf product does not have the double adjustable side release buckles or split back side release buckle, current samples are with standard buckles, but these are easy modification and have been done in the past and can be done easily for the final production samples. Kindly advise that current samples with the standard buckles are accepted.

Answer 34

Yes, pre-award samples can use the standard buckles as long as the final product uses double adjustable or split-back buckles.
