Question 001:

Are we able to substitute products: Duraline 7" Hook & Loop Cable Ties, Mfg# 7142? The reason for a substitution on this item is that it is not a national brand that all office supply dealers sell.

Answer 001:

Offerors are not allowed to substitute any products.

Canada has reviewed your request and the following item has been removed from the EFOT of Annex C:

Delete Line Item 764: Duraline 7" HOOK & LOOP TIES, BLACK

Question 002:

How do we handle discontinued items? Newell Rubbermaid has informed us that the Rolodex Mesh Oval Supply Caddy, Mfg# 1746466, has been discontinued as of December 31, 2018.

Answer 002:

In the event an item has been discontinued, Canada requests that the Offeror provides the information to PSPC's Standing Offer Authority for verification. The Offeror must provide PSPC with a letter from the manufacturer that the product is discontinued.

After verification Canada has removed Line Item 1,204 from the EFOT of Annex C:

Delete Line Item 1,204: Newell Rubbermaid ROLODEX™ MESH 3-TIER FRONT LOAD LETTER TRAY 14-7/8"W X 9-1/2"D X 9-1/4"H, BLACK

Question 003:

If there is a conflict between the Manufacturer's Model Number and the UPC in Annex C, which does Canada consider correct? For example, Manufacturer's Model Number 648200, UPC is 25215620362. The UPC is for manufacturer code 648201. We suggest that the manufacturer code overrides the UPC as this is more accurate for B2B distributors.

PSPC has worked closely with manufacturer and distributors to create the EFOT as accurately as possible with the data that we collected from them. We recognize that some information may still be inaccurate therefore, after finding some inaccurate data, please submit PSPC a list for clarifications.

Line 955 has been revised in EFOT V3.

An aberrant price is defined as a price whose deviation from the norm is so great that it has an impact on PSPC's ability to evaluate prices offered for the line item fairly. Prices deemed as aberrant by PSPC will be excluded from the calculations at 4.1.2.3 a. through d. and assigned a score of zero (0).

Should more than 10% of the prices in an offer be deemed aberrant, that offer will be considered non-compliant.
