The purpose of Amendment 001 is answer questions from potential Bidders.

A. Questions and Answers

Q1

SOW 6.6.5
Known Good Units
Annex D: SRCL

In accordance with Government of Canada COMSEC policy, radios with embedded Type 1 cryptography such as EPLRS, CNR(P), CNR(E), AN/PRC-117F can only be sent to an industrial organization under an existing COMSEC account, as controlled and managed by CSE. Please confirm that an industrial COMSEC account is a mandatory requirement for this bid?

A1

There is no expectation for Type 1 cryptographic materiel to be provided as GFE as part of this contract. As per the SRCL, there is no requirement to have a COMSEC account.

Q2

We would like to know if there is an incumbent who is currently (or has previously) delivered the requested services?

A2

There is no incumbent, this is a new requirement. Some work was previously done by NRC and within DND.

Q3

With reference to this RFP, I wanted to bring to your attention that (name removed) cannot disclose details of projects that we have undertaken that involve similar Radio Systems as they are ITAR (Controlled Goods).

Can we setup a meeting and include the End Users to determine the best way around these limitations?

A3

There is no need for any meeting. Disclosing certain details of previous Controlled Goods projects is indeed prohibited between Industry and Government, however it is allowed and often done between governments and between government departments. Therefore, In lieu of disclosing details of projects that are Controlled Goods to meet the mandatory criteria of the RFP, Bidders can opt to provide reference contact information for those projects. During the bid evaluation phase,

Government of Canada evaluators will be able to contact these references and verify whether the Bidder meets the pertinent mandatory criteria.

When providing reference contact information to meet specific mandatory criteria, please clearly indicate the Project name, as well as the name, phone number and e-mail address of the contact person. Please also advise those contacts of your intent to list them as references for this RFP.
