Amendment 002

This amendment is raised to extend the bid closing date and to provide clarification regarding the submission of Compliance Assessment Reports (CARs) as part of the Phased Bid Compliance Process (PBCP).

1. To extend the bid closing date:

Delete: 2019-07-31 14:00 Eastern Daylight Time (EDT)

Insert: 2019-08-28 14:00 Eastern Daylight Time (EDT)

2. To provide clarification regarding the submission of CARs:

As per section 4.1.1 of the RFP, this procurement is subject to the Phased Bid Compliance process and all bid submissions will be evaluated accordingly.

Canada will send a written notice (CAR) to each Bidder identifying any Eligible Mandatory Criteria that the Bid has failed to meet.

In the event that a Bidder's proposal has been identified as failing to meet any of the Eligible Mandatory Criteria, that Bidder shall have the period specified in the CAR (the "Remedy Period") to remedy the failure to meet any Eligible Mandatory Criterion identified in the CAR by providing to Canada in writing additional or different information or clarification in response to the CAR.

Please refer to article 4.1.1 for more information regarding the (PBCP).

IMPORTANT INFORMATION TO NOTE

All responses to a CAR must be submitted only to Public Works and Government Services Canada (PWGSC) Bid Receiving Unit by the date, time and place indicated in the CAR.

The following are the only methods acceptable for a Bidder to submit their responses to a CAR.

- 1- Mail or in-person to the PWGSC Bid Receiving Unit;
- 2- Facsimile to the number indicated in the CAR; or
- 3- The use of epost Connect.

For Bidders choosing to submit their responses using epost Connect the email address is:

tpsgc.dgareceptiondessoumissions-abbidreceiving.pwgsc@tpsgc-pwgsc.gc.ca

**Responses will not be accepted if emailed directly to this email address. This email address is to be used to open an epost Connect conversation, as detailed in Standard Instructions 2003 (08 (2019-03-04)) Transmission by facsimile or by epost Connect.*

If epost Connect will be used to submit a CAR response, Bidders are required to send an email the PWGSC Bid Receiving Unit (email address above), including the bid solicitation number, requesting to open an epost Connect conversation as early as possible. As it could take at least six business days to ensure a response, it is recommended to do this at least six business days prior to the solicitation closing date and time, or as soon as possible. If this action is not performed promptly it could impede the Bidder's ability to use epost Connect as a method of submitting their responses to the CAR.

Please note that the use of epost Connect only applies to CAR responses.

As per Article 2.2 Submission of Bids - Bids must be submitted only to Public Works and Government Services Canada (PWGSC) Bid Receiving Unit by the date, time and place indicated in the bid solicitation.

Due to the nature of the bid solicitation, bids transmitted by facsimile, e-mail, or the epost Connect service to PWGSC will not be accepted.

All other terms and conditions remain unchanged
