

Part 2 Financial Proposal

- .1 Pricing must be submitted in accordance with the following:
 - .1 Bidders must provide a firm, all-inclusive rates during regular working hours, including all required supervision, equipment, upgrades, materials, parts and labour required to complete the work as requested. Pricing includes fuel, oil, lubrication, the rental of equipment complete with operator, paid by the hour for the actual work for each piece of equipment on site.
 - .2 Down time for repairs, greasing, etc., shall not be paid by DFO/CCG. No payment will be made by DFO/CCG for equipment not in use or stationary on DFO/CCG property.
 - .3 Pricing will be evaluated for the total rates offered for all five (5) years (per zone). Price proposals are not to include Applicable taxes and will be evaluated in Canadian Dollars. Rates quoted must remain firm for the period of the Standing Offer.
 - .4 The estimated usage, if provided, is an estimate only for the purpose of evaluation does not infer that all the quantities for that item will be utilized or that the quantities may not be exceeded.
 - .5 The total bid offer per zone will be calculated by multiplying the unit price for each line item by the associated estimated quantity and summing the values. Calculation will be applied to each year of pricing and all periods will be totalled to determine the total evaluated aggregate bid price of the Offer (per zone).
 - .5 Contractor shall provide cost estimates for additional service or miscellaneous equipment when requested. Actual cost will not be greater than 10% of the estimated net cost.
 - .6 If you are quoting an “or equal” piece of equipment, please indicate and provide technical documentation.
 - .7 Contaminated soil removal, if required, to be at above hourly rates.
 - .8 Contaminated soil disposal, if required, (including transportation manifest) at tipping fees cost plus a markup of 10% with supporting documentations such as invoice and receipts.
 - .9 Should there be an error in the extended pricing of the offeror’s offer, the unit price shall prevail and the extended pricing shall be corrected in the evaluation. Any errors in the quantities of the offeror’s offer shall be changed to reflect the quantities stated in this document. In the event that a mathematical error occurs in carrying over the totals, DFO will correct the totals to ensure the fairness of the Proposals.

2.0 PRICE PROPOSAL FORM

Price proposal form is for evaluation purposes only. It does not represent the actual amounts that will be called up under this standing offer. GST/HST is excluded of the prices quoted herein (if applicable). GST/HST will be shown as a separate item on the invoice (if applicable).

Actual hours called up under this standing offer will be determined on the need of the Technical Support Group and the individual projects.

See following page for price table for each zone.

2.1 Incomplete Price Tables

- .1 Failure to provide a price for any items identified under a specific zone will result in elimination from the process. Offerors that submits pricing for a specific zones will only be considered for that zone. It is not required that interested offerors submit pricing for all zones to be considered under this solicitation process.
