Questions and Answers:

Question:

33. Cover page notes that the solicitation date is July 31st 2019 but page 40 states that the award A&E contract will be (would have been) on May 31st 2019. As May 31st has already passed, would the rest of the schedule dates slide down depending upon the new award date or will they remain as noted on page 40-41?

Reponse 33. In theory the rest of the schedule would slide, however, barge dates and ice roads are fixed, and cannot change, and are beyond our control. The intent would be to re-align the schedule using the fixed dates, and work backwards.

Question:

34. When do you expect to make the decision to add the Lutsel k'e and Deline detachments to the scope of work?

Reponse 34. Lutsel K'e cannot be added to the scope of work until the tender pricing for Whati and Tulita have been determined. Deline cannot be added to the scope of work until Fiscal Year 2022-23.

Question

35. Page 26 states that - meetings will be held at the offices of the Departmental Representative – has the Departmental Representatives been assigned for each detachment and if yes, where are they located? This information is pertinent to provide an accurate travel cost calculations for each detachment.

Reponse 35. Departmental Representative is located in Edmonton Alberta.
