Solicitation Amendment No. 006

This solicitation is hereby amended to provide the following questions and answers:

Question 30

This RFP is quite complex and it is understandable that the derivation of responses to the variety of questions posed has been very difficult. The few questions that remain unanswered coupled with the complexity of the category of personnel being requested as well as difficulties associated with contacting candidates and confirming references during the holiday season, we respectfully request a two week extension to the bid submittal date to August 14, 2019.

Answer 30

The solicitation now has a closing date of August 14, 2019.

If your bid has already been forwarded and you wish to revise same, this revision should be sent in a sealed envelope and mailed to the above address and reach the undersigned before the appropriate closing date. The solicitation number and the closing date are to be shown on the outside of the sealed envelope.

All other terms and conditions of the solicitation document remain unchanged.

All enquiries concerning this amendment are to be forwarded to:
