Bid Solicitation #5000047311

Questions – Answers

Q1 - The RFP specifies that past projects must be a minimum of $50,000, could we use internal projects of equivalent monetary value (i.e. number of hours worked on project at current rate total $50,000) as a substitute?

A1 - Yes. That could be acceptable as long as they demonstrate how they meet the threshold (e.g. numbers of hours * rate = project value)

Q2 - What is the expected level of effort/budget for the project?

A2 - The maximum value of the contract is $80,000. It is up to the proponent to budget accordingly.
