ADDENDUM #1

Subject: **Request for Proposals T8080-190213
Transportation of Dangerous Goods in Lower Mainland British Columbia**

No consideration will be given for extras and/or changes because the tenderer was not familiar with the contents of this Addendum.

The following question has been received from potential Bidders about the subject Request for Proposals. The purpose of this Addendum to the Request for Proposals is to summarize the question and answer for the information of all potential Bidders.

Question #1

A Bidder has asked if a degree in Commerce would be considered to be a social sciences degree, with respect to MT-6 (Transportation Logistics position).

Answer #1

Transport Canada will accept a degree in commerce as a social sciences degree however please note that MT6 requires at minimum, a degree from a recognized college or university in engineering or a degree in social sciences including geography, sociology, history, political science, or related fields; and, a minimum of three (3) years' experience within the past five (5) years working in transportation logistics, transportation in all modes, planning, infrastructure or related fields specifically related to the Study Area. The proposed specialist must meet both these criteria..
