## A) QUESTIONS AND ANSWERS

### Question 1:

We would like to present a CM project that the intent was not to construct a new building in its entirety, but more so to upgrade and alter multiple buildings and elements within the buildings for PWGSC. Would it be acceptable to present a past project with similar requirements outlined, but that was not a new build?

### Answer 1:

Yes, this is acceptable. There are no restrictions as to whether it is a new building or a project that alters/upgrades existing buildings.

### Question 2:

We are trying to combine the best resources together from our firm as the key individuals for the success of this RFP and project, but they haven't all necessarily worked on the past projects referenced in R1. Is it essential that these key individuals have worked on the past projects listed in R1.1?

### Answer 2:

Please refer to B) Amendment to the tender documents below
