Amendment 001

This amendment is raised to provide responses to bidder questions.

A. Questions and Answers

- Q1.** Could you please provide the itinerary of the site visit, the duration and the extent to which bidders can physically access the affected stream reaches?
- A1.** The bidders are requested to meet the Parks Canada Agency (PCA) representative at 10:00 AM PDT at the Steam Punk Café. The group will then drive (in their own vehicles) to Cheewaht Lake with an arrival time of approximately 12:30-13:00. Bidders will require a 4x4 truck. The group will first access S1 and S2 from the lake and/or Rosander Main. If time allows, they will proceed to access S3 from the lake. All anadromous portions of the stream will be accessed. Interested bidders will require PFD, sturdy hiking boots (plus caulks if desired but the group will be travelling in an aluminum canoe). The site visit will finish between 16:00-17:00.
- Q2.** Could PCA please provide the following documents prior to the site visit:
- Applicable hydrology information for the streams and for Cheewaht Lake, including any flow measurements in the streams and any design assumptions;
 - Recent LiDAR, topographic survey and any other available high-resolution indication of channel slopes and widths;
 - The source reports for the Habitat Rehabilitation Maps provided in the solicitation; and
 - Available geotechnical reports
- A2.** Both the hydrological and geotechnical reports for the area are being produced and PCA does not currently have a copy that will be available prior to the site visit. Please see Additional Documents uploaded.
