Amendment 004 is being issued to provide an answer to submitted questions and to amend the Solicitation closing date. Questions #1 to #8 were answered in previous Solicitation amendments.

QUESTION #9:

Can you please confirm what is required to be provided for Supplemental Project Resources? Para 7.3 of Annex A (SOW) says “Supplemental Project Resources must be proposed in the PMP.” While para 4.1.1.c of the RFP says “Only proposed CPT resources will be evaluated as part of this bid solicitation?”

ANSWER #9:

Supplemental Project Resources proposed in the Project Management Plan (PMP) will be evaluated in accordance with Mandatory Technical Criteria M3 and Rated Technical Criteria R1a and R1b. As per the criteria, Bidders should propose the number and type of resources, expertise, level of effort, etc. Bidders may propose specific individuals for each resource but are not required to do so. Qualifications and experience of Supplemental Project Resources will only be assessed after contract award as part of the Task Authorization process.

For the Core Project Team (CPT) Resources, Bidders must propose specific individuals whose qualifications and experience will be evaluated in accordance with Mandatory Technical Criteria M4, M5, M6 and Rated Technical Criteria R3.

QUESTION #10:

Annex B list 5 Supplemental Resources that are to be priced. Yet in Appendix D to Annex A it lists 11 Supplemental Resources. It is unclear what Supplemental Resources are required. Can you please clarify?

ANSWER #10:

As part of the Financial Evaluation for this solicitation, Bidders must submit per diem rates for the three CPT Resources and the five Supplemental Project Resources listed in Table A of Schedule B. As per section 2.2.2 of Schedule B, if other Supplemental Project Resources are proposed as part of the PMP, the Bidder should provide per diem rates for these resources. These rates will not form part of the Financial Evaluation but will be included in Annex B, Basis of Payment if the Bidder is awarded the contract.
