

Longitudinal Profiles

Stream 1 Prescribed Cut Depth

Note: Profiles were generated from digital elevation model derived from LiDAR data.

Stream 2 Prescribed Cut Depth

Note: Profiles were generated from digital elevation model derived from LiDAR data.

Stream 2 Prescribed Cut Depth

Note: Profiles were generated from digital elevation model derived from LiDAR data.

Stream 2 Prescribed Cut Depth

Note: Profiles were generated from digital elevation model derived from LiDAR data.

Stream 2 Side Channel Prescribed Cut Depth

Note: Profiles were generated from digital elevation models derived from LiDAR.

Stream 3 Prescribed Cut Depth

Note: Profiles were generated from digital elevation model derived from LiDAR data.
