Amendment 006

This amendment is raised to:

1. Provide clarification to the Request for Proposal – Technical Bid Evaluation Plan, for criteria M4
 2. Modify Appendix 1 to Part 4 of the RFP - Technical Bid Evaluation Plan
-

1. To provide clarification of the Technical Bid Evaluation Plan M4 requirement:

The intention of Criteria M4 is to have the bidder validate that the entity or entities performing the manufacturing and integration of the Self-Propelled Advancing Skimmer have delivered Self-Propelled Advancing Skimmers in the past. These previously sold SPAS systems do not need to comply with the TSOR contained within this RFP, and must only comply with the most basic definition of a SPAS: A purpose built vessel, whose integrated design allows the independent recovery, temporary storage, and offloading of spilled oil.

2. Modify APPENDIX 1 TO PART 4 OF THE RFP - TECHNICAL BID EVALUATION PLAN:

At Appendix 1 to Part 4 of the RFP - Technical Bid Evaluation Plan

Delete: Appendix B – Mandatory Criteria – Part 2 of 2 in its entirety

Insert: Appendix B – Mandatory Criteria – Part 2 of 2 as follows:

Note - M4 and M6 have been modified to amend the description under “Mandatory Requirement”.
