**DELETE:** September 5, 2019 2pm (EST)

**INSERT:** September 13, 2019 2pm (EST)

#### QUESTION 3:

In Annex A - Item 2 Solicitation No. 21C31-194359/A - fabric (blue & green) for trousers. "Color Green, Pantone 19-5708 TCX" i.e "Jet Set" appears black. Furthermore, the colour of the sample forwarded also appears to be black. Please could you clarify whether the pantone colour stated in Annex A is correct.

#### ANSWER:

The pantone color is correct however it is only to be use as a reference. The color is a dark green that almost looks black.

-----

#### QUESTION 4:

The Dry and Wet crocking requirement on these shades of Grey Scale 4 is not possible. This sealed samples test at 2-3 on a grey scale.

#### ANSWER:

It is feasible to achieve the requested requirement. We had a similar requirement in the past and suppliers were able to achieve GS 4-5 for the dry and wet crocking.

As for the sealed sample please refer to point 7.15 in Part 7B. Resulting Contract Clauses, which states the following:

#### *7.15 Sealed Samples*

*The sealed samples may not meet the technical requirements in all respects and must be used for all factors not covered by the technical specifications. The specifications will govern.*

-----

#### QUESTION 5:

Colour fastness to washing requirements of 4 are too high to achieve. Colour change of 3- and a staining on Polyester of 3 and on cotton of 3-4 is feasible.

#### ANSWER:

It is feasible to achieve the requested requirement. We had a similar evaluation criteria in the past and suppliers were able to meet it.

**QUESTION 6:**

The time to supply a sample with test results of 40 days after the acceptance of the bid is too short. Can we ask for additional time?

**ANSWER:**

We can extend for an additional period of 10 days for a total of 50 calendar days. As a result, the RFP is amended follows:

**In Part 4, s. 4.1.1.1 Mandatory Technical Criteria**

**DELETE the following paragraph:**

*"The Offeror must deliver the required pre-award samples and test results at no charge to Canada and must ensure that they are received **within 40 calendar days from request**. If any supporting documentation is missing, the Contracting Authority will inform the Offeror in writing and provide the Offeror with two (2) working days from the request to submit the missing documentation. Failure to submit the pre-award samples or the supporting documentation within the specified timeframe will result in the bid being declared non-responsive. The samples submitted by the Bidder will remain the property of Canada."*

**REPLACE with:**

*"The Offeror must deliver the required pre-award samples and test results at no charge to Canada and must ensure that they are received **within 50 calendar days from request**. If any supporting documentation is missing, the Contracting Authority will inform the Offeror in writing and provide the Offeror with two (2) working days from the request to submit the missing documentation. Failure to submit the pre-award samples or the supporting documentation within the specified timeframe will result in the bid being declared non-responsive. The samples submitted by the Bidder will remain the property of Canada."*

**All other terms and conditions remain unchanged.**
