**ANNEX B – AMENDMENT 001**

This amendment is raised to modify the Annex B as follows:

1. At Annex B, section B, “One-on-One meetings”, article b:

DELETE: In its entirety.

INSERT: “b. All suppliers who would like to take part in a one-on-one meeting must send a request via e-mail to register to the Contracting Authority. **One-on-one meeting requests must be submitted no later than September 6, 2019.** In order to allow Canada to establish the schedule for such meetings, when registering suppliers are requested to provide a list of the individuals from their organization who will attend the meeting (maximum of five in person and the rest via teleconference for each supplier) and to identify three preferred meeting times between September 4 and September 16, 2019.”

2. At Annex B:

INSERT: “**E. Treatment of Feedback**

**1. Use of Feedback:** Feedback will not be evaluated. However, the feedback received may be considered by Canada to refine any draft solicitation documentation. Canada will consider all feedback received.

**2. Review Team:** A review team composed of representatives from Canada will review the feedback. Canada reserves the right to retain any independent consultant or use any Government resources that it deems necessary to review any feedback. Not all members of the review team will necessarily review all feedback.

**3. Clarifications:** Canada may, at its discretion, contact any suppliers to follow up with additional questions or for clarification of any aspect of feedback.”
