

Poonamalie Dam Phase 3 Catwalk (EQ754-201120/A) ATT.008

**Solicitation Amendment No. 003
Questions and Answers**

Q19: Is it acceptable to, if encountered, drill through the existing reinforcing steel to allow for the correct depth of new anchor installation for the catwalk pillars?

A19: Yes, it is acceptable.

Q20: Is there any way to get in and see the site? Or do you have some pictures showing the area and access for cranes?

A20: No, the lot is fenced off. For photos of the access road, please see attachment 010.
