Amendment 001 is issued to provide viewing sample instructions.

INSTRUCTION FOR OCFC2 SAMPLE VIEWING

1. The sample viewing for OCFC2 items will take place from 23 Sept – 4 Oct 2019 from 0900 – 1600 at the National Printing Bureau (NPB), 45 Boulevard Sacré-Coeur, Gatineau, QC J8X 1C6, in room C-3109-E.
2. The OCFC2 sample viewing will provide bidders and suppliers with an opportunity to view and examine all OCFC2 items in order to:
 - a. provide an accurate pricing at bid; and
 - b. examine the expected quality of all OCFC2 items.
3. For security reasons, participants must provide the names of all persons planning to attend the viewing and the expected dates. Participants must present themselves at the commissionaires' desk at the NPB west entrance at 9h00. The commissionaires will call a DND representative to escort the visiting persons to the viewing room. If you are not able to come at 9h00, contact DND to arrange an appointment. The contact persons are listed at the end of this message.
4. Participants may bring in note-taking material, personal computers, and cameras.
5. A DND Representative will be present at all times. For technical questions about any of the OCFC2 items, a form will be made available where participants can submit a question that will be passed on to the appropriate Technical Authority.
6. Bidders/suppliers are reminded that only information that is published within the RFP document or an Amendment to the RFP issued by Canada is binding on Canada. Bidders/suppliers are therefore encouraged to submit written questions to the Contracting Authority identified in the RFP to confirm the specifications and requirements or seek clarification.
7. All OCFC2 items must remain in the viewing room at all times. Participants must return the items in their designated areas or return them to a DND representative.
8. OCFC2 items are organized logically by material type and Canadian Content Grouping. DND will provide Industry Participants a full list of OCFC2 items with corresponding NATO Stock Number (NSN) and location mapped within the Viewing Room. You can find any item by referencing its NSN and designated display area.
9. Refer to the Sealed Sample Tags and the full list of OCFC2 items for special considerations and additional information.
10. Textiles referenced within the Technical Data Packages are laid out on Table 5.

11. DND reserves the right to ask any participant to leave at any time if deemed necessary.
