## **ANNEX "C"- EVALUATION CRITERIA (Revised September 9, 2019)**

### **MANDATORY REQUIREMENTS:**

Bids **MUST** meet the mandatory requirements specified below. To demonstrate that all requirements of the technical specifications are respected bidders **MUST** respond with complete specifications and/or descriptive literature of the equipment being offered.

Any proposal which fails to meet all mandatory requirements will be deemed non-responsive. Each requirement should be addressed separately.

Note: Bidders are required to provide OEM items or equivalent products as per SACC B3000T (2006-06-16).

When offering equivalent products, the bidder must fully demonstrate how the form, fit and function of suggested products are fully interchangeable with the item specified.

The evaluation will only be based on the information provided with the bid. References to Internet sites or information that is not included will not be evaluated.
