(A) Respond to questions regarding the ITT

(A) QUESTIONS AND ANSWERS

1. **Question:** Is the solicitation closing date of October 1, 2019 only for Phase One Qualification Forms or will Phase Two Price also be due in this time period?

Answer: The solicitation closing date of October 1, 2019 is only for Phase One Qualifications. Responsive bidders from Phase One will be given another 40 days to review the documentation and have the opportunity to submit a Phase Two bid.

2. **Question:** If Phase Two Price is also due prior to this closing date would we expect an immediate turn-around on the pass/fail determination and issuance of drawings and specifications?

Answer: Please refer to question and answer #1 in this solicitation amendment.

3. **Question:** Is the October 1, 2019 closing date the closing time just for Phase 1?

Answer: Please refer to question and answer #1 in this solicitation amendment.

4. **Question:** SI08.3 Opening of Bids states that Phase One Bidders will be advised of their competitive standing and have the opportunity to decide whether or not to continue their participation in Phase Two. SI08.5 then states that the lowest price will be recommended for the contract award. I am curious if the Phase One evaluation has any impact on the Phase Two submittal? Essentially wondering the purpose of knowing your ranking if it is simply based on price?

Answer: This is a two-phase selection process. Phase One Bidders will be notified if their bid is compliant or non-compliant. A combination of the Phase One and Phase Two submissions constitutes the final bid. The responsive Phase Two bid with the lowest price will be recommended for contract award.

5. **Question:** Can any additional information beyond Appendix 1 be provided to further highlight our capabilities of completing this project?

Answer: Drawings and Specifications will be issued in Phase Two to the responsive bidders from Phase One.

- 6. Question:** The annexes for this project do not appear on Buy and Sell. Are these going to be posted at a later date? (i.e Annex A, B C, D and E.)

Answer: Annex A and B will be issued in Phase Two and sent to the responsive bidders from Phase One.

- 7. Question:** Is the current solicitation for Phase one only?

Answer: This solicitation is for Phase One and Phase Two. Please refer to question and answer #4 in this solicitation amendment.

- 8. Question:** We would like you to confirm if there are any plans and specs associated with this project. There is only Invitation to Tender posted on Buy & Sell.

Answer: Please refer to question and answer #5 in this solicitation amendment.

- 9. Question:** Since this is a re-bid to bid solicitation number 201900733, do our members have to use tender documents from previously cancelled bid?

Answer: No. Please refer to question and answer #5 in this solicitation amendment.

- 10. Question:** Am I correct in understanding that Phase One submissions will then be assessed, with Phase Two documents (including drawings and specifications) to be issued after at a date yet to be confirmed and with a due date which will be indicated at that time

Answer: Yes. Please refer to question and answer #1 in this solicitation amendment.

- 11. Question:** Is Phase One Qualification closing October 1 at 2:00pm EDT?
