

Addendum No. 2

Solicitation No. EQ754-201218/A Amendment No. - 004

HOG'S BACK FIXED BRIDGE & DAM REHABILITATION BUNDLE 2
BRIDGE REPLACEMENT
RIDEAU CANAL
OTTAWA, ONTARIO

Amendment to Project Specification Section 32 12 16 – Asphalt Paving and Bridge Deck
Waterproofing, Paragraph 2.1.1.

Following changes are made to the project specification Section 32 12 16, Paragraph 2.1.1

Remove specification section 32 12 16, Paragraph 2.1.1:

Asphalt cement shall meet the requirements of OPSS 1101, Material Specification for Asphalt Cements and shall be in accordance with the MTO Guide for the use of Performance Grade Asphalt Cement (PGAC); a PGAC grading of 58-28 will be used for this roadway.

Section 32 12 16, Paragraph 2.1.1 is replaced by following:

Asphalt cement shall meet the requirements of OPSS 1101, Material Specification for Asphalt Cements and shall be in accordance with the MTO Guide for the use of Performance Grade Asphalt Cement (PGAC); a PGAC grading of 58-34 will be used for this roadway.
