This amendment has been raised to respond to the following bidders questions:

Question #1: Is the last awarded price available?

Answer #1: The last awarded price is not available.

Question #2: Is this a one time delivery for each location?

Answer #2: Item can be delivered in multiple shipment for each location, however Canada will pay the Contractor upon completion and delivery.

Question #3: Would you accept the products made in china?

Answer #3: Bidders are requested to provide the manufacturer's brand name, model and/or part number listed in the solicitation. If bidders wish to provide a substitute product, bidders must provide the information requested in clause B3000T – Equivalent products with their bid.

Question #4: There is a wide range of products available with the identical form, fit, function, and quality to the requested item. What are the important factors and parameters in technical evaluation of equivalent products?

Answer #4: The requested sensor is part of a sensor suite, and as such, the bidder must ensure that the equivalent part being proposed in their bid is compatible with the All Weather Inc. Automated Weather Observation System (AWOS). Bidders must provide Supporting documentation as outlined in Clause B3000T (2006-06-16) Equivalent Products, in order to ensure proper evaluation of the substitute product equivalency from the OEM.

All other Terms and Conditions of the RFP remain unchanged.
