This solicitation amendment 003 is raised to address bidders questions.

Question 1:

With the optional ten vehicles, from a pricing perspective, is there any indication where the freight needs to be calculated to? If spread across the country as the first five are, it makes quite a difference on pricing, or would there be a central location?

Answer:

Please see PART 6 - RESULTING CONTRACT CLAUSES;

6.15 Shipping Instructions - Optional Quantity

6.15.1 Delivery will be FCA Free Carrier at the Contractor's Canadian facility or Contractor's Canadian distribution point, Incoterms 2000. The Contractor must load the goods onto the carrier designated by Correctional Service Canada. Onward shipment from the delivery point to the consignee will be Canada's responsibility.

6.15.2 Before shipping the goods, the Contractor must make arrangements with the Procurement Authority for each place of destination. The consignee may refuse shipments when prior arrangements have not been made.

6.15.3 The Contractor must not ship the goods before receiving shipping instructions from the Procurement Authority.

6.15.4 If the Contractor delivers the goods at a place and time which are not in accordance with the given delivery instructions or fail to fulfill reasonable delivery instructions given by Canada, the contractor must reimburse Canada any additional expenses and costs incurred.

6.15.5 If Canada is responsible for delays in delivering the goods, ownership and risk will be transferred to Canada upon expiry of either thirty (30) days following the date on which a duly completed shipping application is received by Canada or by its appointed forwarding agent, or thirty (30) days following the delivery date specified in the Contract, whichever is later.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME
