AMENDMENT 03

The purpose of this amendment is to answer questions from industry.

Question 1: E01: Experience in production of bilingual projects (in French and English) for promotion or on the Web. Is it possible to submit draft documents designed and produced in both languages (in French and English versions) or do we have to restrict ourselves to bilingual documents (where both English and French are used)?

Answer 1: Yes, two examples are acceptable.

Question 2: The link for question 4 of amendment 2 should be for the Official Languages Act, but the link is for the Multiculturalism Act. What is the correct link?

Answer 2: The correct link is: <https://laws-lois.justice.gc.ca/eng/acts/o-3.01/>

Question 3: We have reviewed the Request for Proposal for Statistics Canada - Solicitation JO31827/A, and would like to confirm that under the Mandatory Requirement under M3 on page 11 it states that the bidder must provide one sample of work that demonstrates compliance with the 1) Federal Identity Act, 2) Official Languages Act, 3) Canadian Multiculturalism Act and 4) Accessibility requirements.

The way I understand this mandatory requirement then, is that this RFP is not open to suppliers who have not already done work for the Government of Canada. Can you please confirm this, or clarify by means of an example what non-government work could also meet this mandatory requirement?

Answer 3: Correct. Bidders must confirm that they have experience with applying the 1) Federal Identity Act, 2) Official Languages Act, 3) Canadian Multiculturalism Act and 4) Accessibility requirements to a sample of work created for the Government of Canada.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
