This Revision is raised to answer questions received to date and to modify the Request for Supply Arrangement:

1. Questions and Answers

Question 33

At Part 6A – Supply Arrangement, under 6.10.2 – SACC Manual Clauses, C0100C - (2010-01-11), Discretionary Audit – Commercial Goods and/or Services, this is to be applied only when a non-competitive bid is issued that references C0002T, C0004T or C0006T. As the RFSA does not have reference to either C0002T, C0004T or C0006T (as it's not a non-competitive bid), the discount percentages applied to equipment or product categories or manufacturer do not in of themselves require compliance with C0002T, C0004T or C0006T. Specifically, the compliance to C0002T, C0004T or C0006T would be at the product number level, which would be identified in an issued non-competitive bid?

Answer 33

This is correct, the compliance to the clauses *C0002T*, *C0004T* or *C0006T* would be at the product number level under a non-competitive requirement. It does not apply to the discount percentage at the Request for Supply Arrangement stage.

Please see modification bellow.

Question 34

In Part 3 – Arrangement Preparation Instruction, if we choose to submit the arrangement in hard copies, do you need 1 soft copy on USB key as well as a hard copy or simply 1 soft copy? If there is a discrepancy between the wording of the soft copy on electronic media and the hard copy, the wording of the hard copy will have priority over the wording of the soft copy.

Answer 34

PWGSC is requesting only one (1) soft copy on an USB Key.

Question 35

At Annex D - Example of Medium Complexity Bid Solicitation and Resulting Contract Template, can you please confirm if we need to populate at this time:

- Point 6.4 Term of Contract;
- Point 6.5 Authorities;
- Point 6.7 Payment
- Point 6.8 Invoicing
- Point 6.9 Certifications and Additional Information

Answer 35

Annex D is provided as an example of a medium complexity template only. You do not need to complete the points mentioned above.
