

LE GÉNIE AU SERVICE DE LA CONSTRUCTION

**Correctional Service of Canada – Institution Donnacona**  
**New secure courtyards**

Solicitation number : 21301-20-3312387  
EMS Project reference : M19-028

---

This addendum concerns civil documents for the new secure courtyards at Institution Donnacona.

All information included in this addendum must be included in the tender package. Any revision included in this addendum has priority over previously submitted documents.

**1. CIVIL DRAWINGS**

All civil drawings are included in this addendum.

**1.1. SHEET C-002**

- 1.1.1. The new secure courtyards are located on currently turfed land. The site must be scoured by excavating any deleterious material and organic soil in order to allow construction of the new pavement cross section.

---

This addendum is 4 pages long.

A handwritten signature in blue ink, appearing to read 'Gino Pelletier', written in a cursive style.

Gino Pelletier, ing. M.Sc.  
2019-09-27

A circular red professional seal for Gino Pelletier, an engineer in Québec. The seal contains the text 'INGÉNIEUR', 'Gino Pelletier', '120748', and 'QUÉBEC'. A handwritten signature in blue ink is written over the seal.
