**Questions and Answers:**

- 1) Please refer to page 18 of 54, RS2 Past Experience of the Firm. The RFSA states that “Repair or rehabilitation projects may be submitted but will be limited to one (1) of the (3) submitted projects per Specialty Service.” Based on past experience, there have been more repair or rehabilitation projects than new construction. Are proponents permitted to include 2 repair or rehabilitation projects and 1 new construction per specialty service?
  - a. No, the limit for repair or rehabilitation projects will remain at one (1).
- 2) We understand that this contract has a 5 year term. At this time does PWGSC anticipate an even distribution of work across specialty services or do you foresee a greater focus on specific specialty services? If known, please identify focus areas.
  - a. We are unable to provide an indication of distribution of work at this time.
