### **1.2 Summary**

The Department of National Defence (DND), Canadian Forces Base (CFB) Borden, Ration and Quarters Support Services (R&QSS) located in Borden, Ontario and the 32 Service Battalion Canadian Forces College (CFC) Toronto, Ontario has a requirement for the supply and delivery of miscellaneous groceries products, as specified in Annex 'B' on an "as and when" requested basis.

The offeror can submit pricing on as many or as few line items as they wish. Offers will be evaluated on the highest amount of line items offered and then on a line item basis.

The Request for Standing Offer may result in the issuance of up to three (3) Standing Offers.

The period of the Standing Offer is from November 01, 2019 to April 30, 2020.

The requirement is subject to the provisions of the Canadian Free Trade Agreement (CFTA).

This RFSO allows offerors to use the epost Connect service provided by Canada Post Corporation to transmit their offers electronically. Offerors must refer to Part 2 of the RFSO entitled Offeror Instructions and Part 3 of the RFSO entitled Offer Preparation Instructions, for further information on using this method.

### 1.3 Debriefings

Offerors may request a debriefing on the results of the request for standing offers process. Offerors should make the request to the Standing Offer Authority within 15 working days of receipt of the results of the request for standing offers process. The debriefing may be in writing, by telephone or in person.

### 1.4 Anticipated migration to an e-Procurement Solution (EPS)

Canada is currently developing an online EPS for faster and more convenient ordering of goods and services. In support of the anticipated transition to this system and how it may impact any resulting Standing Offer that is issued under this solicitation, refer to 6.12 Transition to an e-Procurement Solution (EPS).

The Government of Canada's [press release](#) provides additional information.

## PART 2 - OFFEROR INSTRUCTIONS

The Offeror is required to submit firm prices, rates or both that will apply for the entire period of the Standing Offer.

### 2.3 Enquiries - Request for Standing Offers

All enquiries must be submitted in writing to the Standing Offer Authority no later than 7 calendar days before the Request for Standing Offers (RFSO) closing date. Enquiries received after that time may not be answered.

Offerors should reference as accurately as possible the numbered item of the RFSO to which the enquiry relates. Care should be taken by offerors to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the question(s) or may request that offerors do so, so that the proprietary nature of the question(s) is eliminated, and the enquiry can be answered to all offerors. Enquiries not submitted in a form that can be distributed to all offerors may not be answered by Canada.

### 2.4 Applicable Laws

The Standing Offer and any contract resulting from the Standing Offer must be interpreted and governed, and the relations between the parties determined, by the laws in force in Ontario.

Offerors may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their offer, by deleting the name of the Canadian province or territory specified and inserting the name of the Canadian province or territory of their choice. If no change is made, it acknowledges that the applicable laws specified are acceptable to the offerors.

## PART 3 - OFFER PREPARATION INSTRUCTIONS

### 3.1 Offer Preparation Instructions

- If the Offeror chooses to submit its offer electronically, Canada requests that the Offeror submits its offer in accordance with section 08 of the 2006 standard instructions. Section III: Certifications

- If the Offeror chooses to submit its offer in hard copies, Canada requests that the Offeror provides its offer in separately bound sections as follows:

Section I: Financial Offer (1 hard copy)

Section II: Certifications (1 hard copy)

If there is a discrepancy between the wording of the soft copy on electronic media and the hard copy, the wording of the hard copy will have priority over the wording of the soft copy.

- If the Offeror is simultaneously providing copies of its offer using multiple acceptable delivery methods, and if there is a discrepancy between the wording of any of these copies and the electronic copy provided through epost Connect service, the wording of the electronic copy provided through epost Connect service will have priority over the wording of the other copies.

Prices must appear in the financial offer only. No prices must be indicated in any other section of the offer.

Canada requests that offerors follow the format instructions described below in the preparation of hard copy of their offer:

- (a) use 8.5 x 11 inch (216 mm x 279 mm) paper;
- (b) use a numbering system that corresponds to the RFSO.

[C3011T](#) (2013-11-06), Exchange Rate Fluctuation

Where the Offeror proposes an alternate UOIS (Unit of Issue Size), the Offeror must enter an amount for both PACK AND SIZE under Proposed Packaging.

The estimated usages provided in Annex B are for the sole purpose of establishing an evaluation tool. These usages are based only on best estimate and in no way reflect the actual usages expected or any commitment on part of the crown.

The Offeror must provide a maximum mark-up percentage for Special Orders. If left blank, an amount of 0% will be assumed and used in the subsequent Standing Offer.

A maximum of three (3) Standing Offers will be awarded.

The offers will be reviewed based on the number of line items submitted by each Offeror. Each line item will be evaluated separately, with the lowest Firm Unit of Measure (UoM) Price being awarded the specific line item.

If all offers provide pricing for all line items, the total evaluated price of all line items will be used and the three (3) lowest price offers will be deemed qualified offers and then be evaluated on a line item basis and all other offers will not be reviewed. The total evaluated price is the sum of the Extended Price, Extended Price is calculated as the estimated usage multiplied by Firm UoM price.

If all offerors provide pricing for the same amount of line items (but not all line items), each line item will be evaluated separately and the three (3) offers with the highest amount of winning line items will be issued Standing Offers.
